Academic Advising

A SPECIAL NOTE TO PARENTS AND FAMILIES

The first semester of college can be a stressful time. Many students have never lived away from home before and are now faced with new responsibilities and expectations. The Academic Advising Center (AAC) is here to help. Please encourage your student to make use of the AAC.

We want students to start making progress toward a degree. At the same time, we want students to feel free to do some investigating of different curriculum options. Students should strive to balance a planned, purposeful educational effort with the exploring that produces a well-rounded lifelong learner.

Please help us in this effort by affirming for your student that there is always some level of uncertainty about the college experience. Many students are unsure about what academic path to take and what their life's pursuit ought to be. That's okay! The undergraduate experience at UW-La Crosse helps students make good choices. The exploration that occurs along the way is an important developmental step for your student to take.

We hope you will join with the AAC to encourage your student to:

- Make an effort to 'connect' with at least one faculty member. Our faculty really does want to build relationships with their students.
- Visit the Academic Advising Center early in the first semester to learn about the wide range of services and support available.
- Learn about, and make use of, all the campus resources that UWL provides to make students' academic and social experiences the best they can be.

ACADEMIC ADVISING plays an important role in helping students achieve their educational goals. It is a process that encompasses student development along with the delivery of accurate, up-to-date information regarding career options, educational programs, courses of instruction, resources, and policies and procedures to most effectively aid the student in pursuing their educational goals.

It is important for students to consult their advisors regarding program development, major and career choices and concerns, course sequencing and course selection. Students are encouraged to make a connection with their advisor early in their college career. Students should schedule a minimum of one meeting with their advisor each semester.

Advisors are assigned to each undergraduate student based on their chosen major.

Students who have not declared a major are assigned to a faculty advisor in one of the colleges or to an advisor in the Academic Advising Center.

DEANS' OFFICES

Staff members are available in each college Dean's Academic Services Office to interpret and carry out university policy for the college. Students should contact their college Academic Services Office regarding graduation requirements, change of majors/minors, inter-college transfers, admission to programs, academic action appeals, petitions for exceptions to curriculum requirements and policies, and transfer credit evaluations. Staff members are also available to answer questions and give advice on a variety of other topics related to your student's journey through the curriculum.

Academic Advising

TUTORING SERVICES

Students who are seeking additional assistance in a specific academic area may contact the academic department to find out about tutoring services. Some departments have student tutors who work in a lab setting. Students can stop by for assistance during designated lab hours. Other departments require that students contact the faculty members for assistance.

Many UWL students utilize the Murphy Learning Center, a free tutoring service on campus. Tutors are available in subjects, such as: Accounting, Biology/Microbiology, Chemistry, Earth Science, Economics, Geography, History, Mathematics, Philosophy, Physics, and Psychology. In addition, The Writing Center consultants are available to assist with all of your writing needs. Visit www.uwlax.edu/murphy-learning-center for more information.

Student Support Services

www.uwlax.edu/sss | 2131 Centennial Hall | 608.785.8535

Student Support Services (SSS) is a federally funded TRIO program serving first-generation college students (neither parent has a four-year degree), students who come from income-eligible households based on federal guidelines, and students with a documented disability.

Upon acceptance into SSS, all students are assigned to an SSS advisor. The advisor assesses each participant individually and offers guidance based on individual need. The advisor will meet with the participant at least twice a semester and may provide the student with academic, career, personal, or financial aid advising. Areas of guidance traditionally include course selection, declaring a major, study skills, financial literacy, career readiness, and referrals to appropriate offices.

The SSS staff also includes math and writing specialists who offer professional tutoring in their respective areas, as well as a trained team of peer tutors who can help in various math and science courses. In addition, SSS will arrange specialized tutoring for students requiring academic support in courses not covered by regular tutors.

Additionally, SSS offers grant aid (supplemental financial aid) to Pell-eligible students who demonstrate significant unmet financial need. Students have the opportunity to apply for grant aid twice yearly, in fall and spring semesters.

SSS students have access to quiet, centrally-located study spaces; assistive technology; peer mentoring; free printing; a food pantry; cultural, de-stressing, and social events; and a safe, supportive community of belonging.

Finally, SSS can only serve 350 students annually, so selection into the program is based on eligibility requirements as well as a student's academic need and level of commitment. Once a student is selected for participation in SSS, they can utilize SSS services and programming until graduation.

The ACCESS Center provides services to students attending UWL who have a documented disability. ACCESS Center staff will meet with students and, based on documentation, determine appropriate academic accommodations to help students accomplish their academic goals and give them the support they need to graduation.

If you have a documented physical, sensory, psychological, or learning disability that is challenging you, get the support and assistance you deserve to help you make the most of your education and campus life activities.

Career Services

www.uwlax.edu/aaccs | 1209 Centennial Hall | 608.785.8514

An important part of the educational experience is finding a meaningful career. The Career Services Office assists students in their career decision-making by helping them identify career options, learn about potential employers, gain relevant experiences, and conduct their job search.

OUR SERVICES:

INDIVIDUAL CAREER ADVISING APPOINTMENTS:

Students meet with advisors to explore internship opportunities, job market and employment trends in their field, and discuss job search strategies and graduate and professional school options that match their career and life goals.

INTERSHIPS:

The Career Services Office coordinates hundreds of internship experiences each year allowing students to gain experience related to their academic and occupational goals. Planning for an internship begins early, commonly in their sophomore year.

HANDSHAKE:

This online career management tool is a one-stop resource for part-time and summer jobs, internships, jobs for graduates, on-campus interviews and campus career events.

JOB SEARCH DOCUMENTS AND SKILLS:

Advisors guide students through the job search process by assisting them with resumes, cover letters, and interviewing skills.

GRADUATE SCHOOL ASSISTANCE:

Students meet with career advisors for assistance with graduate school searches and the application process.

CAREER EVENTS:

Career Services sponsors several major career events each year. These events provide students an opportunity to visit informally with representatives from health services, education, business, government, and industry. Cooperating employers visit campus to share information with students on career options with their organizations.

PRESENTATIONS:

Career Services staff members regularly speak to classes and student groups about career-related topics.

Student Employment on Campus

144 Graff Main Hall | 608.785.8013

Many students enjoy the benefits of working part-time while going to school. Working part-time is a great way to assist with paying for the cost to attend college. Part-time work also helps students to improve their time management and organizational skills, while they are gaining valuable work experience.

With over 1,000 student employment jobs awarded annually, students are encouraged to first ask their major department if there are any openings in which the student could work and learn more about their field within their major department. Other opportunities may be listed in Handshake (Career Services job portal) or in the Financial Aid Office.

Records & Registration

www.uwlax.edu/records | 117 Graff Main Hall | 608.785.8951

Many services are available to students through the online student system called WINGS Student Center. The system requires a student's username and password. Students were sent their username and password when they applied for admission. Students use the WINGS Student Center to register for classes, display their schedules, pay bills and access tax information, add Campus Cash, access grades and GPAs, update their address, check their registration time and the name of their advisor, display their financial aid award, verify their enrollment, request advisement reports, request unofficial or official transcripts, and apply for graduation.

GRADES

Final grades are available on the WINGS Student Center as soon as instructors submit them. Grade point averages (GPAs) are calculated approximately ten days after the last final exam day. Grade reports are not mailed. Instructors notify students directly or through the online learning management system of any in-progress and/or midterm grades. Midterm grades are not posted in WINGS.

ADDRESSES

Students must keep the University informed of any address changes. Students can update their addresses using the WINGS Student Center. Students will be prompted at the beginning of each semester to update their local address unless they live in a residence hall.

CONFIDENTIALITY OF ACADEMIC RECORDS

UWL fully complies with the Family Educational Rights and Privacy Act of 1974 as amended (FERPA). FERPA was designed to protect the privacy of education records, to establish the right of students to inspect and review their education records, and to provide guidelines for the correction of inaccurate or misleading data through informal and formal hearings. A copy of the written procedures may be found on the Records and Registration website (www.uwlax.edu/records/FERPA).

DIRECTORY INFORMATION

UWL designates the following categories of student information as public or "directory information." Such information may be disclosed by the institution for any purpose, at its discretion.

- Names, addresses, campus email addresses, telephone numbers, enrollment status, enrollment dates, academic level (e.g., first year, sophomore, etc.), and school/college.
- Previous institution(s) attended; past and present participation in officially recognized sports and activities; physical factors (height, weight, etc. for athletes).
- Program(s) of study, awards, honors including Dean's List, expected graduation date, degree(s) and credential(s) awarded and earned.

In addition to the items listed above, UW-La Crosse has designated photographs and images that are taken of students at university-sponsored activities as information that may appear in university publications, brochures, etc. without the written consent of students. Addresses are not considered confidential and will be released if requested by a third party.

Currently enrolled students may withhold disclosure of information under FERPA. Students may restrict release of some or all directory information in their WINGS Student Center by the following navigation: Self-Service>Campus Personal Information> FERPA Restrictions. This page is also sometimes called Privacy Settings. Students who do not want directory information released must make changes to their privacy settings prior to the end of the second week of the fall semester. UWL assumes that the lack of a specific request from the student in WINGS for the withholding of directory information, within the time period mentioned above, indicates individual approval for disclosure. Please note that restrictions to name and home address will exclude the student's name from appearing in newspaper listings of the Dean's List and graduation and will prevent potential employers from verifying graduation status. It should be noted that restrictions will prevent certain information from being released, and that students risk being omitted from communication from the University.

UWL cannot release academic records, including grades and GPA to third parties without written permission from the student. Because of this federal law restricting access (even to family members), it is important that students and families maintain good communication about sharing information.

Records & Registration

www.uwlax.edu/records | 117 Graff Main Hall | 608.785.8951

ENROLLMENT VERIFICATIONS

A student may need to provide verification of enrollment for certain situations, such as: health and car insurance, scholarships, loans, and employment. Self-service verification and good student discount is available on WINGS Student Center, and we urge students and families to use this service.

FOUR-YEAR GRADUATION AGREEMENT

The University offers entering first-year students the opportunity to participate in an agreement that ensures graduation within four years of a student's initial enrollment. If the student satisfies all of the conditions of the agreement, but degree completion is delayed because the University did not fulfill its requirements of the agreement, then UW-La Crosse will relieve the student of tuition for the required course(s) remaining after the four-year time period. The agreement must be signed within the first seven weeks of a student's initial enrollment. Not all academic programs are included as part of this formal agreement. For more information on the four-year graduation agreement, visit www.uwlax.edu/admissions/a-four-year-graduation-agreement

REGISTRATION

New first-year students will meet with advisors during the registration period of their chosen registration date. Students will notice some classes have already been added to their schedule based on their chosen major and/or college. After advisement, students will log into their WINGS Student Center to enroll in additional classes. Students will learn how to use Schedule Planner, UWL's registration tool, to build the rest of their class schedule and complete their registration for the fall semester. UWL staff and peer advisors will be on hand to help with any registration questions that may come up during the enrollment process.

Because new first-year students will continue to register throughout June, students will not be able to change their schedule using WINGS until all registration dates have passed. Students may add classes in WINGS through September 11, 2023 and drop classes through September 18, 2023 without instructor permission. Changes after those dates will require instructor permission and in some cases, additional approvals.

When AP scores have been received in July, UWL will evaluate the scores and post appropriate credits to the student's record. If a student registered for a course that is no longer necessary, the Registrar's Office will contact the student to adjust the fall registration.

In November, students register for the winter/spring term using the WINGS Student Center registration system. They are assigned a registration time according to the number of credits they have earned. Students should consult with their faculty or academic advisor prior to registration.

Students should be aware of the following information before attempting to change their schedule:

- You cannot add a class that is "Closed."
- Many classes are already filled to capacity. Once you drop a class, it is unlikely you will be able to add it back to your schedule.
- Do not drop a class from your schedule to add another class unless you have determined the class you want to add is both open and does not have a time conflict with the rest of your schedule. Using the SWAP method of enrollment helps you avoid losing your seat if the other class you want is full.
- If you are enrolled in a class with both a lecture and lab, dropping one part will likely drop the other part, depending on the class. Chemistry 103 lectures, labs and discussions are linked in groups and are not "mix and match." If you are enrolled in CHM 103 and need this class, please do not attempt to change sections.

DATES, DEADLINES, AND POLICIES

Important dates and deadlines for each term can be found at www.uwlax.edu/records/dates-and-deadlines

Policies are also explained in the UWL catalog. Students should make sure they are familiar with these references.

More info at: kb.uwlax.edu/81129

WHAT COMPUTER SHOULD I BUY?

The brand and where to purchase a computer is up to each individual. Our website lists several vendors that provide discounted prices for students.

If you are buying a new laptop or desktop computer, or bringing one you currently own, please read our hardware recommendations at uwlax.edu/its/technology-purchases/purchasing to help ensure compatibility with campus resources.

Whichever choice you make, keep security in mind with your hardware, software, and how you use the Internet. Make sure your computer is covered by your homeowner’s or renter’s insurance.

WHY BUY A MOBILE COMPUTER?

Portability and flexibility are key factors for students. Whether working alone or in a group environment, students have the opportunity to have their mobile device with them at all times. With a mobile device, students can benefit from web applications and Virtual Desktop.

WHAT OPERATING SYSTEM AND SOFTWARE SHOULD I BUY?

Current versions of Windows and macOS are supported. Microsoft 365 is provided to all enrolled students and includes Microsoft. If Adobe applications are needed, Adobe offers a student discount on their website.

SHOULD I DOWNLOAD ANTIVIRUS AND ANTI-MALWARE SOFTWARE?

ITS encourages safe, virus free computing. Without antivirus software your computer can become severely infected. ITS recommends all computers have antivirus software installed before using the campus network. For more information go to:

uwlax.edu/its/client-services-and-support/antivirus-malware-information

DO I HAVE ACCESS TO ONLINE FILE STORAGE?

Yes! Microsoft OneDrive (1TB) and Google Drive (30GB) files can be accessed using your NetID from any computer with an internet connection. More info at: uwlax.edu/its/system-administration/filestorage

WHAT IS CYBER SECURITY?

Cyber security is an important aspect of students using the campus network and computer resources. Always be careful opening suspicious emails and files. If you are not sure, don’t click on a link. You can check if a web link is valid by hovering over it (without clicking) on your computer. You cannot do this on your smartphone, so be extra cautious.

ITS will never ask you for your password. If you receive any request for your password, please delete it immediately without a reply. If you inadvertently clicked on a link or provided your credentials, be sure to immediately change your password (if possible, on campus). If you need additional assistance, please contact the Eagle Help Desk.

DUO 2-STEP AUTHENTICATION

UWL students will be required to utilize a 2-Step Authentication Process when logging into various applications, such as: Office 365, email, WINGS, and Canvas. This process will require each student to log-in with their NETID and password like always. Then they will need to go through an additional authentication step which confirms they are actually the person logging in.

WHAT IS DUO?

DUO is a multi-factor authentication system we call the 2-Step authentication process. This is occurring on each campus in adherence to UW System Security requirements. Our goal is to keep you and your data safe and secure. Using the DUO system will keep your data safe in the event of a compromised password.

LEARN MORE

A DUO for Students web site is available which provides information on this project and also includes important self-help guides: www.uwlax.edu/its/duo-for-students

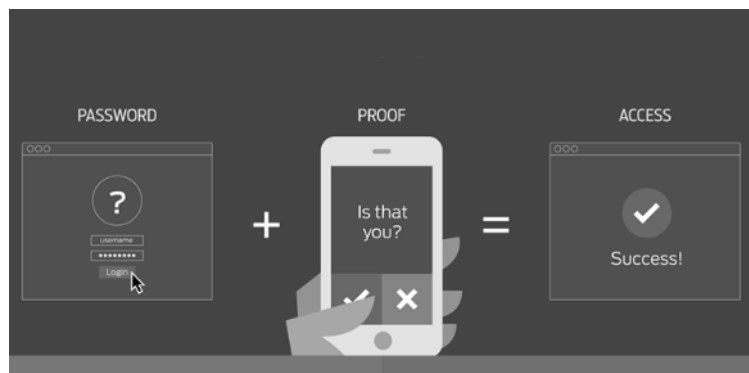

HOW DOES DUO PROTECT MY ACCOUNT?

When logging in, you need your username/password along with the numerical code a DUO device generates. These codes change after a short time interval and can only be obtained from a DUO activated device which is assigned to your account. This makes your account more secure against online phishing attacks, because if your password becomes compromised, only you have access to the DUO device for your account.

WHAT OPTIONS DO I HAVE FOR DUO?

ITS recommends that students access DUO through the FREE app for smartphones, DUO Mobile. This app is available at the Apple App Store or Google Play. Some students may not have a smartphone or they may prefer to use a fob.*

**The UWL-approved and supported fob will be available for purchase at the University Bookstore for \$27.38 (\$25.95 retail plus tax). After purchasing a fob from the Bookstore students will need to bring it to the Eagle Help Desk to have it added to their DUO account.*

NAVIGATE

WHAT IS NAVIGATE?

Navigate is a student success app that can help you keep track of to-do list items and calendar reminders set by the University, manage any holds you may have on your account, view campus resources, schedule appointments with your academic advisor, view your class schedule, find study buddies within your classes, and more.

HOW DOES NAVIGATE HELP ME BE SUCCESSFUL AT UWL?

There's a lot to manage as a college student. Navigate Student makes it easier by letting you know how and when to get important things done. Through the personalized app, Navigate Student helps you make decisions, complete important tasks, and explore campus.

HOW DO I ACCESS NAVIGATE?

Search "Navigate Student" in your App Store/Google Play Store. When you open the app, you'll select "University of Wisconsin-La Crosse". Log in with your UWL credentials and take the initial intake survey to tell us a little bit more about you. From there you'll have access to all of the Navigate features!

Parking & Transportation Services

www.uwlax.edu/parking | 608 17th Street N | 608.785.8061

PARKING ON CAMPUS

Parking in a University of Wisconsin-La Crosse lot requires a permit or use the Passport Parking mobile app. Permits may be purchased online or at Parking Services for annual, semester, day, or overnight use. The Passport Parking mobile app is available for short-term parking.

PARKING PERMIT SALE

The online parking permit sale will begin in mid-July. Instructions for the online parking permit sale will be emailed to registered students at the end of June. The number of permits is limited and are sold based on student classification, starting with seniors. Once the permits are sold out, a wait list is established for the sale of returned permits. Current rates, rules, and more information is on the Parking Services website.

RESIDENT OR COMMUTER PERMIT

Students living in the residence halls may purchase a resident lot permit and students living off campus may purchase a commuter lot permit.

Motorcycle and moped parking permits are available for designated spaces around campus.

YOUR PLATE IS YOUR PERMIT

Parking Services uses license plate recognition (LPR) technology to enforce our parking lots. Enforcement officers scan license plates with vehicle-mounted cameras.

- Students are required to select a lot to park in and may only park in their assigned lot.
- One vehicle may be registered to your permit. Additional vehicles may be added if it is registered to a family member.

VISITOR PARKING

Visitors must purchase a permit to park on campus using one of the following options:

- Pay with the Passport mobile app.
- Visit Parking Services.

Visitor parking is prohibited in resident lots. 15 minute loading spaces are available in resident lots. Parking is free during the day on weekends in the commuter lots. Any overnight parking requires a permit.

GETTING AROUND

Travel on campus is best done by bicycle or on foot. Bikes should be locked to the racks around campus.

- Green Bikes is a bicycle recycling program supported by UWL's green fund and implemented by UWL Outdoor Connection. It only costs \$15 to rent a green bike. Payment of a \$25, \$50 or \$100 deposit (depending on the quality of the bike) is also required. Deposits will be returned when the bike is returned.
- Drift Cycle is a community bike share that offers an easy to use and affordable bike rental program, to residents, commuters and visitors of the La Crosse Area. Campus hosts two stations, one near the Student Union and another near Whitney Dining Center. Additional stations are spread throughout the city. To utilize this program, download the "DriftCycle" app on your phone.
- Jefferson Bus Lines and Coach USA provide service all over the United States. The bus stop is at the Student Union.
- Amtrak offers service to Milwaukee, Chicago, and Minneapolis where other train connections are available for trips to other parts of the United States.

- American Airlines has daily flights at the La Crosse Regional Airport (LSE).
- Groome Transportation provides airport shuttle service to the Rochester and Minneapolis airports.

CITY AND REGIONAL BUS SERVICE

The La Crosse Municipal Transit Utility (MTU) offers two bus services for UWL students. The Unlimited Passage (U-PASS) provides bus service on any MTU route in La Crosse or Onalaska at NO FARE when students show their UWL student ID. The U-PASS/Safety Bus also has NO FARE and runs Thursday, Friday, and Saturday nights from 9 p.m.-3 a.m. (10 p.m.-3 a.m. on Thursday evenings). The Safety Bus will run from on and off campus housing areas and downtown La Crosse every 15 minutes during these three nights and no identification is required. Students will have a safe ride home with their friends!

Scenic Mississippi Regional Transit (SMRT) buses run Monday-Friday to Crawford, La Crosse, and Vernon counties. Free internet service is provided on buses. Rides are \$3 each way and are not included in student fees. Discount cards are available for purchase. More information is available on the Parking Services website.

Residence Life

www.uwlax.edu/reslife | 1000 Eagle Hall | 608.785.8075

The Office of Residence Life strives to create affirming and inclusive homes for our residents where all people can achieve academic and social success through experiential learning and building meaningful relationships.

THE RESIDENCE HALLS

Approximately one-third of the undergraduate students enrolled in the university reside in one of the ten residence halls with a total population of roughly 3,000. First-year students are required to live on campus and occupy two-thirds of the available beds on campus. Eight of the ten residence halls offer a traditional living experience with community bathrooms and shared lounges. Eagle Hall is a suite-style hall which houses a mix of primarily first-year and second-year students. Reuter Hall offers, mostly upper-class students, single bedrooms in a shared apartment. Visit our website for more information about each of the residence halls and the amenities they offer including common spaces, kitchens, and gaming.

SUPPORT & INVOLVEMENT

We have a team of experienced, professional staff who are directly involved in monitoring services, counseling, relationship-building, community development and accountability. Each residence hall has a Resident Director and Resident Assistants (RAs). Resident Directors consist of our full-time Master-level and current Graduate-level staff who live in each community and supervise the RA team. Resident Assistants are full-time students who personally connect with the residents to assist them in developing a sense of belonging among other students.

Our team hosts a multitude of events, all centered around the goals of interpersonal, academic, and cultural growth. Students are encouraged to be actively involved in their living community.

Additionally, each residence hall has a Core Team that plans social events and engagement opportunities for the residence hall community. If you are interested in joining your hall's Core Team, be sure to let your Resident Assistant know at the start of the fall semester. This is a fantastic way to meet other residents in your building and make quick connections in the residence hall community.

EMPLOYMENT OPPORTUNITIES

The Office of Residence Life employs one of the largest number of students on campus. Positions include: Desk Assistant, Resident Assistant, Custodian Assistant, Mail Center Assistant, and Summer (Conference) Assistants. All positions focus on leadership and professional development and are supervised by both peer leaders and full-time staff. Getting a job in your residence hall is a great way to give back to your community and develop skills to prepare you for future opportunities. We encourage students to watch for position postings beginning in July when they arrive on campus.

SAFETY

All residence hall entrances are locked 24 hours a day. Hall residents and university staff can enter their residence hall with their ID cards. Any guests to the residence halls must be escorted by a hall resident at all times. Students are expected to carry their room key and student ID with them at all times and to keep their room door locked.

Blue Light Safety phones are located at the main entrance of every residence hall and throughout campus.

Fire safety procedures are explained at the beginning of the year. Fire drills are planned every semester. Smoke detectors are mounted in every room and fire extinguishers are located on every floor, wing, or cube.

Safety is our top priority. Please review our list of prohibited items on our website.

ROOM ASSIGNMENTS & MOVE-IN

Room assignments will be emailed to students. After receiving their room and roommate assignments, students should contact their new roommate. It is important that roommates determine who will bring what, such as a TV, microwave, and carpet. Move-in instructions and a map directing students to their hall will be emailed in early August. Students will be asked to sign up for a move-in time.

Residence Life

www.uwlax.edu/reslife | 1000 Eagle Hall | 608.785.8075

WHAT TO BRING, WHAT NOT TO BRING

Start with what makes a place feel like home. That might be a 4 cup coffee pot, a picture of your closest friends or a favorite blanket. Then fill in those boxes with necessities. Don't forget to talk to your roommate to make sure you are not doubling up on items. The rooms are not large and good planning can help it feel spacious while still having everything you need. Our students tell us that necessities include:

- Small microwave (1000 watts or less)
- Snacks
- One or two sets of plastic-ware (plates, forks, etc.)
- Sandals to wear in the shower and a shower tote to carry shampoo
- Pillow
- Extra-long twin size bedding (can be found at most stores)
- Fused power strip (surge protector)
- Umbrella
- 1 set of towels
- Hangers
- Laundry basket and laundry supplies
- School supplies
- Alarm clock
- If lofting a bed - furniture for under a loft (79" or less in length)
- Social Security Card and Photo ID
- Toilet paper, if you live in Eagle or Reuter

If you are in any hall besides Eagle or Reuter:

- Area rug
- Box fan

What should you leave at home? Most students tell us they brought too much stuff! Do you need 4 towels or will 1 towel do? Can you wait and bring your winter boots and coat after your next trip home? We also provide a lot of things for student use at our front desks like irons and ironing boards, pots and pans, vacuums, games, etc. Be sure to check the Residence Life policies to know what is not allowed as this is not an exhaustive list:

- Air Fryers
- Instant Pot
- Homemade lofts - we provide them
- Trash can and recycling bin - we provide them
- Fridge - we provide one
- Pets - other than fish!
- Air conditioners (we provide them for medical needs)
- Space Heaters
- Lamps with plastic shades, halogen lamps, or multiple light lamps
- Non-LED lights
- Non-fused or multi-plug outlets
- Hoverboards or electric skateboards
- Items with the potential for an open flame (Candles with wicks, incense to burn, fireworks/firecrackers)
- "Food board" - board which places weight on the built in bookshelves
- Items that produce wireless signals (routers, printers, etc.)

Bedding:

Mattress size is 33" x 79".
Extra long, fitted twin sheets will fit perfectly.

See information below. Students can also print or email their bill from WINGS. Charges can be incurred throughout the semester. We have two separate options for Parent access. Your student can authorize your access to 1.) Online billing payment system and 2.) Individual student records. FINANCIAL AID DISTRIBUTION DATES	
FALL 2023	Begins September 6
SPRING 2024	Begins January 23

FINANCIAL AID REFUNDS & OTHER REFUNDS

If financial aid funds, scholarships or excess payments applied to the student's WINGS account are more than the balance due, the excess is paid back to the student as a refund. It is strongly encouraged to sign up for Nelnet.

UWL uses Nelnet to electronically deposit student refunds directly into the checking or savings bank account provided. The service is free, highly secure and utilizes SSL encryption, keeping information safe and private.

FOR THE FASTEST REFUND, fill out your banking information ahead of time to prevent delay in receiving refunds.

Students who do not sign up for direct deposit will receive their refund checks by mail to the permanent home address on file. Checks are mailed by default, so it is crucial that students always have their current address on file. If the address is not valid, students risk having their refund checks returned or lost. Allow two weeks for processing and mailing.

DO YOU NEED TO CHANGE YOUR ADDRESS FOR BILLING AND TAX REPORTING PURPOSES?

Access WINGS to view/change your individual student information regarding tuition/fees, local/legal addresses, class schedule, and tax reporting. The student's ID number and password are required to access WINGS.

Form 1098-T is the IRS Tuition Statement issued to all students who had qualified tuition and other related educational expenses billed to them during the previous calendar year. It serves to alert students that they may be eligible for federal income tax education credits as part of their Federal Income Tax Return. For the 2023 tax year, check with the UWL Cashier's website at www.uwlax.edu/cashiers for additional details.

WITHDRAWING FROM THE UNIVERSITY | FEES & REFUNDS

Any new or transfer students choosing not to attend prior to the first day of classes must contact the Admissions Office. If this is not done, students will be placed on class rosters and will be responsible for payment of tuition and fees.

Any student choosing to withdraw after classes have begun must complete the formal withdrawal process through the Office of Student Life, 149 Graff Main Hall. Please note students will be assessed a \$50 withdrawal fee. The amount of refund (if any) is determined by the effective date of the withdrawal.

WITHDRAWAL DATES

For classes starting Tuesday, September 5, 2023:

September 5, 2023-September 18, 2023

- 100% Refund + \$50 Withdrawal Fee

September 19, 2023-October 2, 2023

- 50% Refund

October 3, 2023 or Later

- No Refund

If the student received financial aid, refund requirements of the Higher Education Amendments may affect the student's refund or balance due to the University. Please note that you still are responsible for payment of your bill due to withdrawing from UWL.

ROOM AND MEALS REFUND

Students who withdraw from the University shall be refunded room and meals paid in advance on a weekly-prorated basis. Calculation of the refund amount begins on the Monday of the week following the withdrawal date. The \$150 housing deposit is non-refundable.

FEDERAL DIRECT LOAN BORROWERS

First-time borrowers in the Federal Direct Loan program need to complete federally required Entrance Loan Counseling (ELC) and sign a Master Promissory Note (MPN) for their loan. Both requirements can be completed at studentaid.gov.

PARENT LOANS

Parents who wish to apply for a Federal Direct Parent PLUS Loan must have their student complete the FAFSA. In addition, the parent must apply for the Parent PLUS Loan online at studentaid.gov and can complete a Direct Parent PLUS Master Promissory Note on the same site. You do not need to be eligible for need-based federal student aid to qualify, however, the parent/borrower must not have an adverse credit history.

PRIVATE STUDENT LOANS

These are private, non-governmental loans for higher education offered by various lenders. You do not need to be eligible for need-based federal student aid to qualify. More information about applying for these types of loans is available at www.uwlax.edu/finaid/financial-aid-quick-links/private-student-loans.

CALCULATING HOW MUCH TO BORROW

Borrow only the amount you need. A helpful worksheet (Calculating How Much You Need to Borrow) is available at www.uwlax.edu/finaid/info/types-of-aid/loans.

Current cost of attendance and an “estimate your campus bill” tool can be found at www.uwlax.edu/cost.

FEDERAL WORK-STUDY

Students who have been awarded/accepted a Federal Work-Study Award and have submitted a Federal Work-Study Assignment Questionnaire will be notified about their work-study position/assignment in mid-August. Award amounts average out to about eight to ten hours of work per week, depending on department needs.

PART-TIME JOB OPPORTUNITIES

All students are welcome to search for on-campus and off-campus part-time jobs listed in the Handshake website at www.uwlax.joinhandshake.com/login. Additional information on Student Employment can be found at www.uwlax.edu/finaid/info/student-employment.

SCHOLARSHIPS

Students who are receiving private scholarships must report these awards to the Financial Aid Office either via WINGS or by completing the “Scholarship & Other Resources Notification” form available at www.uwlax.edu/finaid/financial-aid-quick-links/common-forms. For more information about UWL scholarships as well as an extensive database of outside, private scholarships, visit the UWL Scholarship Resource Center webpage, www.uwlax.edu/scholarships.

LATE FINANCIAL AID APPLICANTS

Students may apply for financial aid throughout the 2023-24 academic year although certain program funds may have been exhausted. Families must complete the Free Application for Federal Student Aid (FAFSA) at studentaid.gov.

REFUNDS

Students are encouraged to set up direct deposit for any refund they might receive. In the “Finances” section of your WINGS Student Center, choose the “Student Choice Refund” option to set this up.

SAVE MONEY BY GRADUATING ON TIME

Students who take an average of 15 credit hours a semester could save in tuition and fees by graduating on time. Tuition and fees are based on 12 credits per semester, making any credits between 12 and 18 almost free credits. Adding the cost of books/supplies, housing, food, transportation, and miscellaneous expenses saved by graduating on time can greatly increase the total amount of savings. Read our helpful tips for graduating on time: www.uwlax.edu/finaid/info/graduate-on-time.

MN RECIPROCITY

Residents of Minnesota must apply for reciprocity and be approved or will be charged the non-resident tuition rate. Apply for MN reciprocity at <https://www.ohe.state.mn.us/ssl/reciprocity2023/index.cfm>.

FERPA (Family Educational Rights and Privacy Act)

If you wish for the Financial Aid Office to be able to discuss your information with your parents or others, you will need to set up a FERPA secure pin in your WINGS Student Center. Information on how to set this up can be found at <https://kb.uwlax.edu/115349>.

Scholarship Resource Center

www.uwlax.edu/scholarships | 0130 Student Union | 608.785.8852

WHO WE ARE

UWL's Scholarship Resource Center (SRC) encourages students to focus on alternative funding options that match with their personal achievements and unique personalities. The SRC is committed to helping students locate scholarships that fit their unique qualifications, educate them regarding submitting high quality applications, and, ultimately, see them further their education by receiving scholarships to fund that education. We accomplish this by simplifying the scholarship search process and offering valuable resources to help our students stand out in their applications. Staying organized and setting aside time for applications is the first step and the second step is actually filling out the application. Visit our webpage or stop by our office to set up a scholarship plan. We also encourage parents to be active in the scholarship process.

OUR SERVICES

Students can make an appointment or stop by our office for assistance with scholarship searching, application review, essay brainstorming, and essay proofreading. We also host a variety of different scholarship workshops throughout the semester. At each of these workshops we give away a \$50 scholarship to a student.

OUTSIDE SCHOLARSHIP DATABASE

External organizations are a significant source of scholarships, but we know finding the right organization and scholarship can take up valuable time for our students. That's why the SRC provides students with an Outside Scholarship Database where we add listings of scholarships specific to the students at UWL.

Alumni & Friends Foundation

uw lax.edu/go/alignment | Cleary Alumni & Friends Center | 608.785.6803

New organization will continue to promote UWL

For the past two years, leaders of both the UWL Foundation & UWL Alumni Association have been discussing “Optimizing Alignment” (teaming up, collaborating, joining forces) to form a new stronger operation to promote UWL.

We are excited! These two organizations have worked together the past 50-plus years, and we believe this new structure will help us serve our students, alumni, friends and UWL in the best way possible. Our alumni and friends deserve the absolute best, and we plan to deliver.

Here’s what you can find at the UWL Alumni & Friends Foundation for...

CURRENT STUDENTS

Scholarships

Many scholarships have been established over the years by alumni and special friends of the University in an effort to enhance students’ experiences and make their education more affordable.

Eligibility: Scholarship committees select recipients based on the qualifications designed by the donor, faculty recommendations, grade point average, and other materials deemed appropriate by departmental committees.

All scholarships are contingent upon full-time enrollment at UWL for the year of the award, except where otherwise indicated. With few exceptions, scholarships and awards are paid for the academic year following the presentation ceremony.

Application: For the 2024-25 scholarships, incoming first year and continuing students can apply for scholarships online between October 1, 2023-February 1, 2024. Learn more: www.uwlax.edu/scholarships/scholarships/foundation-scholarships/

Student Philanthropy Council

The UWL Student Philanthropy Council (SPC) gives undergraduate students an opportunity to serve as philanthropy ambassadors for UWL, sharing the importance of philanthropy with students and the campus community, and to celebrate the impact donors have at UWL.

SPC partners with the Alumni & Friends Foundation throughout the year: One Day for UWL, Philanthropy Week, Board of Directors activities, and more!

ALUMNI & FRIENDS

Engagement

Our focus is to help everyone who loves UWL have the opportunity to stay connected, get involved, and give back.

We keep you connected to your alma mater by engaging social media, regular university communications, hosting events locally and throughout the country, and being available to create special experiences for alums when they return to campus.

Continue to get involved after your time at UWL by joining one of our alumni networks, wearing your UWL gear as much as possible, attending a reunion, nominating an alum for a distinguished alumni award, or come back for a visit!

Giving Back

Private support is integral to our mission of preparing students for the world. The Alumni & Friends Foundation is the largest private funding resource for the University, and our donors’ gifts directly benefit UWL. We have over 250 areas to support at UWL and we believe everyone can find an area that matches their interests and passion.

Learn more: www.uwlax.edu/go/gift

Did You Know?

More than 1,000 students are impacted by scholarships each year. Each spring the UWL Alumni & Friends Foundation can award over \$1.3 million in scholarships. More than 450 unique opportunities have been established by generous alumni and friends to support students in their education.

Campus Safety & University Police

www.uwlax.edu/police | Non-Emergency 608.789.9000 | Emergency 608.789.9999

Campus safety should be on your list of concerns as your student sets out for UW-La Crosse. University Police works hard to make UWL a safe place to live and learn. This brief outline of what we do as well as what you and your student can do to maintain safety is presented as information and a conversation starter.

UWL employs a staff of police officers that patrol the campus 24 hours a day, 7 days a week. University Police's primary responsibility is ensuring the safety and security of the campus community and facilities. University Police are fully certified law enforcement officers with responsibilities that include criminal matters, enforcement of laws and university codes, emergency medical response, and student, staff, and visitor assistance. Police provide training to the campus community on a wide range of topics, including personal safety, ALICE/active threat response, fire safety, theft prevention, self-defense, emergency response, first aid/CPR/AED, and more. Training opportunities can be found at www.uwlax.edu/police/community-education-request-form/.

Adequate lighting, blue lights, and secure walkways help enhance safety on campus. Landscaping is also planned and carried out with safety in mind. Campus police officers and facilities personnel continuously review and evaluate areas for safety concerns which include watching for lights that need to be replaced or areas that need additional lighting.

Statistical information about crime on campus and the community is collected and reported in UWL's Annual Security Report. Information of these crimes which include sexual harassment, rape, date rape, and corresponding university policies are available at www.uwlax.edu/student-life/student-resources/annual-security-report/. If you would like a hard copy of this report, please contact the Office of Student Life, 149 Graff Main Hall, 608.785.8062, and one will be sent to you.

WHAT CAN STUDENTS DO?

1. Know what to do in an emergency by reviewing the UWL emergency response plan at: www.uwlax.edu/police/emergency-management/emergency-response-plan/
2. Verify you are signed up to receive emergency notifications through the University Police website.
3. Be aware of your surroundings.
4. Lock doors and bikes to prevent crimes.
5. When going out at night, use the buddy system. Go out with friends and go home with friends.
6. Avoid overconsumption of alcohol.
7. If you see something suspicious, report it to the police immediately.

WHAT CAN FAMILIES DO?

Most freshmen are legal adults who would not appreciate a safety lecture. However, families can reinforce and discuss best practices for students to stay safe. Let your student know you are always concerned about them.

CONSULTATION AND REFERRAL

With a student's permission, consultations and referrals may be made with several on or off campus offices, (e.g. Dean of Students, Counseling and Testing Center, ACCESS Center, Athletics, International Education and Engagement, Residence Life, County Health Department, local hospitals/clinics). All information in a student's health record is entirely confidential and will not be released to anyone (including relatives) without the student's written consent. Students may schedule an appointment with the Health Information Manager to review their medical records.

EMERGENCY SERVICES

Emergency services are available at two local medical centers—Mayo Clinic Health System - La Crosse and Gundersen Health System. Since emergency services are not included in the health center fee, students are advised to be familiar with their family insurance plan coverage.

WHAT ABOUT INSURANCE COVERAGE?

Students are not required to have insurance to receive care at the Health Center. As described above, payment of student fees covers most costs. However, students are strongly encouraged to obtain supplemental hospital/accident insurance to cover such expenses as hospitalization, emergency services, specialist care, pharmacy, and ambulance transport. The student health fee does not cover these costs. If coverage is available through a family plan, students are urged to have the name of the insurance carrier and policy/subscriber numbers available on campus.

Athletics are an important and exciting part of campus and community life at the University of Wisconsin-La Crosse. Whether you are a participant or a spectator, UW-La Crosse teams provide plenty of action for everyone. Few institutions can match the success of the Eagles' nationally recognized NCAA Division III non-scholarship athletic program.

UW-La Crosse sponsors 21 intercollegiate sports, 12 for women and nine for men. Women's golf and women's lacrosse were added as varsity sports with golf starting play in Fall 2018 and lacrosse in Spring 2020. UW-La Crosse competes in the Wisconsin Intercollegiate Athletic Conference (WIAC), recognized as one of the most competitive Division III conferences in the nation. UW-La Crosse holds national membership affiliations in the National Collegiate Athletic Association (NCAA) and the National Collegiate Gymnastics Association (NCGA).

The New Student and Family Programs Office assists all new students and their families as they transition into successful college students. We build partnerships with students, parents, and families through communication, programming, and resources. Together, let's get ready to reach new heights! We host New Student Orientation, Welcome Week, Family Weekends, the Second Year Experience, and the Parent Advisory Board. You will also be receiving electronic issues of Eagle Mail, our New Student and Family newsletter, to keep you in the loop with UWL happenings! Don't forget to look out for us on Facebook at www.facebook.com/uwlinsfp or Instagram @uwl_nsf!

NEW STUDENT ORIENTATION (AUGUST 31 & SEPTEMBER 1-4)

New Student Orientation is for all new students to UWL and offers a variety of programs, services, activities, and fun events designed to welcome and introduce students to all of the engagement opportunities at UWL. All new first-year students are included into an Eagle Group, which is led by an Eagle Guide who is an experienced UWL student leader. New students will be "guided" through their first few days on campus by our student "experts." Through New Student Orientation, there are plenty of opportunities to meet other new and returning students, find out ways to get involved, and prepare for the academic year!

WELCOME WEEK (SEPTEMBER 5-17)

Welcome Week is our celebration of new students! This week's events help students feel comfortable in their new campus environment, learn information you need for your time at UWL, and participate in activities with other students, staff, and community members.

FAMILY WEEKEND (OCTOBER 20-22)

We are excited to see you on-campus and have the opportunity to explore the La Crosse area! Hotel blocks are listed on our website.

SECOND YEAR EXPERIENCE

The Second Year Experience Program assists second-year students in exploring the critical issues and tasks that are unique to the second year of college. The program provides support for second-year students by connecting them to peers, faculty, staff, and campus resources, enhancing their academic and professional success. The program also helps to build a community of support outside of the classroom, aiding in their self-exploration, exposing them to diverse perspectives, and helping define academic and co-curricular goals.

PARENTS & FAMILIES

As a parent/guardian you have the opportunity to apply to be a part of the Parent Advisory Board or serve as a Parent Ambassador. The University of Wisconsin-La Crosse Parent Advisory Board is a group of current parents who are committed to investing in UWL and its future by serving in an advisory capacity as we prepare our students for lifelong success. Members of the Parent Advisory Board serve in a leadership role through participation and service. The University of Wisconsin-La Crosse Parent Ambassadors have the opportunity to volunteer at events for their fellow parents as well as for newly admitted students/families. Through your active engagement, you are making a direct impact on your student's experience at UWL.

WAYS TO USE THE EAGLE ID CARD

- **The Official ID** – The Eagle ID card provides access to residence halls, computer labs, Dining Services, Health Center services, Strength Centers, the Recreational Eagle Center, (REC takes both virtual and physical student IDs, download the UWL REC app to get their virtual ID), Textbook Services, Library Services and Vending Machines. It also serves as a bus pass for transportation on the city bus system. Students must have their ID card with them to access these services.
- **Campus Cash** – Campus Cash is an internal university prepaid debit account that offers the advantage of convenience, security and accountability while minimizing the need to carry cash on campus. Campus Cash may be used at all campus dining locations, the UWL Bookstore, Textbook Services, the Badger Street Station Convenience Store, the Recreational Eagle Center, residence hall laundry machines (only accept Campus Cash), pay-for-print, beverage and snack vending machines and Pepsi machines on campus. Campus Cash carries over from semester to semester.

 - Upload an ID Photo
 - Purchase Campus Cash
 - Purchase Block Meal Plans
 - Check your account balances for Campus Cash, Dining Dollars, meal swipes, and blocks
 - Use digital ID for Dining Locations

The GET Mobile app is available for download in both the App Store & Google Play Store.

Please be sure to sign the back of your card if you intend to use it for this purpose (Note: the expiration date on your card is for voting purposes only). For more information, visit the Wisconsin Election Commission website.
