

First Destination Report for 2017-18 UWL Bachelor's & Associate Degree Graduates

97% of UWL 2017-18 graduates were employed, continuing or planning to continue their education, or serving in the military or a service

program. Data is based on a knowledge rate of 69% from all sources including First Destination Survey responses, National Student Clearinghouse data, and web based searches. Results indicate that 3% were still seeking employment and 0% were not seeking employment or continued education. Approximately 75% of graduates were working or studying in Wisconsin as determined by location of employer or graduate school. A total of 2,117 Bachelor's and Associate Degrees were earned (total student count of 1,919), data was reported or found for 1,458 of the degrees (69%), leaving 31% of the degrees without any information (representing 601 students).

Notes: ***bolded, italicized** average salary based on 5 or less reports. Salary data hidden for majors with only one student report. NR= no salary data reported. Career outcomes include the counts for those continuing education, employed, volunteering, and serving in the military. The counts in these tables represent the total numbers of majors earned by students, therefore the same student might be counted in multiple majors and colleges. Data was collected from the First Destination Survey, enrollment data from the National Student Clearinghouse, and web based reports. Location of employment or educational institution used to determine post graduate Wisconsin residency.
