### A LEADER IN WISCONSIN

UW-La Crosse is the No. 2 public college in Wisconsin on Forbes' 2023 America's Top Colleges list. This annual ranking showcases 500 of the finest colleges in the United States, with an emphasis on high graduation rates, competitive graduate salaries and positive outcomes for low-income students.

"This impressive ranking is a powerful reflection of the great work our faculty and staff do each day to ensure our UWL students have an outstanding academic experience," says UWL Chancellor Joe Gow. "Their dedication to student success is an inspiration."

UWL also remains a top-ranked university on other prominent lists. On U.S. News & World Report's 2024 ranking of national universities, UWL is the top public university in Wisconsin with fewer than 25,000 students.

# I'M ADMITTED TO UWL... NOW WHAT DO I DO?

## TO-DO LIST:

- **Pay your deposits.** Housing is assigned on a first-come, first-served basis, and you cannot apply for housing without first paying your \$100 enrollment deposit and then \$150 housing deposit.
- **Apply for scholarships through the UWL Foundation.** For a listing of available scholarships and application information, visit [uwfax.academicworks.com](http://uwfax.academicworks.com). Applications are due February 1, 2024.
- **Take the University of Wisconsin System placement tests in English and math.** Foreign language placement is also available. Information about registering for the test will be sent in early February.
- **Visit campus one more time!** On-campus tours are available Monday-Friday at various times. Need a more in-depth visit? Two Campus Close-Up open house events are scheduled for the spring on February 16, 2024 and April 26, 2024. Log on to [uwfax.edu/visit](http://uwfax.edu/visit) to plan your day!

## ON-CAMPUS HOUSING

Did you apply for housing? If not, and you are planning to live in the residence halls, act NOW to reserve your space! On-campus housing and assignments are made based on the date you complete the online housing contract and submit the \$150 housing deposit.

### Steps to applying for housing:

1. **Submit \$100 enrollment deposit using your WINGS Student Center.**
2. **Complete the online housing application and pay \$150 housing deposit.** For step-by-step instructions and a link to the housing application, visit [uwfax.edu/reslife/apply-for-housing/application-process](http://uwfax.edu/reslife/apply-for-housing/application-process)
3. **You may log back in to update any selections you have made.**

\*The housing application will become available 24-48 hours after the enrollment deposit is processed.

### What residence hall should I choose?

There are many great things about living in each of the residence halls! Visit the Office of Residence Life webpage at [uwfax.edu/reslife](http://uwfax.edu/reslife) to find specific information about each hall.

### How do I find a roommate?

Completing the housing application not only guarantees you on-campus housing, it also provides you with opportunities to select a roommate. Roommate Selection will be available on the housing portal in mid-January. This optional feature allows students to search for a roommate based on different preferences or browse roommate biographies. Already know who you want to live with? You can look them up by name and get connected to ensure that you are assigned together!

### What's in my room?

Each room contains a desk, chair, bed and dresser for each resident. All rooms have a refrigerator and internet access. Residence hall mattresses are 33" x 79". Extra-long twin fitted sheets are necessary and are available at many stores. Additional information about room furnishings is available at [uwfax.edu/reslife/orl-resources/frequently-asked-questions](http://uwfax.edu/reslife/orl-resources/frequently-asked-questions).

## WINGS STUDENT CENTER: YOUR ONE-STOP SHOP

You used the WINGS Student Center to check your application status. Now you'll use it to manage all of your information as a UWL student. Log in to [wings.uwlax.edu](http://wings.uwlax.edu) to check your to-do list and pay your enrollment deposit. Later you'll be able to check your financial aid award status and register for classes.

### Can't find your NetID/WINGS password?

Use the password recovery link available on our website at [uwfax.edu/info/password-reset](http://uwfax.edu/info/password-reset).

### Your senior schedule and grades matter!

Admission decisions are determined, in part, by consideration of senior year courses you identified on your application for admission and how well you do in them. Changing your senior courses, especially in the core classes, could affect your admission status. Your final senior grades could also affect your admission status. Keep up the hard work in class and if you need to make changes to your schedule, email our office at [admissions@uwfax.edu](mailto:admissions@uwfax.edu) to request prior approval from an admissions counselor.

### The importance of your placement testing

Preparing for your placement test will make a difference. The results will determine the level of your English and math courses. Placement tests are also available in French, German and Spanish. A high placement can save time and money. Yes, it is important to prepare and take these tests seriously.
