

TRANSFER GUIDE

For Students Attending

Western Technical
College

How To Use The Transfer Guide

In accordance with the UW System transfer policy, UWL can accept up to a **maximum of 72 credits** from the Wisconsin Technical College System institutions without first having earned an associate degree.

Program to Program Agreements:

The guide begins by listing the Program to Program articulation agreements that currently exist between Western and UW-La Crosse. Please contact the Admissions Office at UW-La Crosse for specific information regarding these agreements.

General Education Program Course Requirements:

The guide also provides an outline of the General Education Program course requirements that all students at UW-La Crosse must complete as part of their degree program. Pages 3-4 of this guide provide a listing of the Western Technical College “100 & 200 level” courses which are applicable toward the General Education Program at UW-La Crosse. Pages 5-6 provide a listing of the General Education course equivalencies.

Additional Course to Course Agreements:

Students transferring from Western Technical College may be able to transfer certain occupational and technical credits in addition to those listed on pages 3-6 of this guide. Please see page 7 for a listing of additional course to course articulations.
