

## MISSION

The Academic Advising Center and Career Services along with the Pre-Health Student Resource Center is a team of educators who advise, encourage, challenge, and support students in their academic planning and career development. We are committed to continuous improvement and innovation in services and programming. We seek to empower students to pursue the knowledge and experience necessary to make informed academic and career decisions congruent with their values and identity, leading to success at UWL and beyond.

## OUTREACH EFFORTS

### START

AAC Advisors meet one-on-one with first-year students during June START, helping them to understand requirements and to set their fall course schedule.

### Student Success

Each spring semester, AAC advisors serve as Student Success advisors to improve the academic performance of students who are on Academic Probation and have a faculty advisor. In the Spring Semester, there were 83 students involved in this program.

## PRE-HEALTH STUDENT RESOURCE CENTER

The Pre-Health Student Resource Center provides academic advising, programming, and coursework to help students explore healthcare careers, plan academics, and prepare for applications.

## EAGLE ADVANTAGE

Career advisors collaborated with faculty and staff to help students articulate career readiness competencies using the Eagle Advantage tool and resources. CATL trained 19 faculty members to infuse Eagle Advantage into their class.

*"The training has made both me and my students more aware of how my class, and our program as a whole, prepares them for post-graduation careers."*  
- UWL professor

### The Eagle Advantage

Explore | Experience | Excel

Employers and grad schools want skills.

You have them.

Are you speaking the same language?

#### 1 Adaptability

Recognize challenges as opportunities to improve. Embrace a growth mindset that allows for action, reflection, failure, and resilience.

#### 2 Collaboration & Leadership

Build mutually beneficial relationships and achieve common goals by understanding, valuing, and leveraging strengths of others. Take responsibility for your own role and contributions within a team.

#### 3 Communication

Articulate thoughts and ideas clearly and effectively through written and oral communication. Tailor messaging for different audiences and contexts. Understand the impact of communication on your professional work image. Use communication skills to motivate others and work collaboratively.

#### 4 Critical Thinking & Problem Solving

Exercise reasoning to independently analyze issues, identify options and alternatives, formulate opinions, make decisions, and overcome problems.

#### 5 Digital Literacy & Technology

Leverage knowledge of information and communications technology to ethically and efficiently solve problems, complete tasks, and accomplish goals.

#### 6 Diversity, Equity, & Inclusion

Cultivate awareness of your own identity and that of others through exploration of diversity. Demonstrate the awareness, knowledge, and skills required to equitably engage and include people from different local and global cultures. Engage in practices that actively challenge oppressive systems, structures, and policies.

#### 7 Accountability

Knowing work environments differ greatly, understand and demonstrate effective work habits, and act with interests of the larger community and workplace in mind.

#### 8 Career & Self-Development

Proactively develop oneself and one's career through continual personal & professional learning, awareness of one's strengths and weaknesses, navigation of career opportunities, and networking to build relationships both within and outside of one's organization.
