I feel valued here. Not only do I feel encouraged to talk with my professors, my professors reach out to talk with me! The professionalism and friendliness of the faculty creates a great relationship between professors and students.

Laik Ruetten

UWL has given me so much: fond memories, lifelong friends, superstitions about clocktowers, frustrations, joys and everything in between. I am so proud to be able to call UWL my home away from home. I can say with certainty that there will always be a piece of me in La Crosse – no matter where I end up.

If yes, you must request that an official transcript be sent from the college or university that granted credit for transfer credit consideration. Additionally, students should send official Advanced Placement (AP), International Baccalaureate (IB), or CLEP scores to the Admissions Office. We recommend you have the transcript sent as soon as possible so we can add this information to your academic record and your advisor is therefore aware of transfer credit at START.

Please visit www.uwlax.edu/access-center. To request accommodations, contact the ACCESS Center at 608.785.6900.

Accommodation requests related to on-campus housing must begin with the ACCESS Center and be submitted before May 1 for priority consideration in the housing assignment process.

Army/Navy/Marine Corps/Coast Guard: To request an official copy of your transcript, please visit the Joint Services Transcript site. Air Force enlisted personnel will continue to receive their official professional military education transcript from the Community College of the Air Force.
