

Campus Parking

On campus parking is free after 7:00 p.m. and on weekends in any Commuter Lot (marked with "C"). If you are visiting campus during the day, Monday through Friday, a parking permit is needed to park in a UW-La Crosse parking lot.

When using a Continuing Education parking permit, we recommend that you use Commuter Lot 2, which is located southwest of Veterans Memorial Stadium, on the corner of East Avenue and Pine St., though your confirmation letter and parking permit may indicate a different parking lot on campus.
