

Hey ESG!

Thanks for the great turn-out for the scavenger hunt and tying up end of the semester things!

T-shirts and Nametags were distributed and will also be available for pick up at the Gala on Saturday, you must have your money in order to get the items!

Ladies Night Out, a anti-smoking program and more for young girls is having their second meeting on Sunday **12/13 at 6:30pm** at the La Crosse County Health Department. This is a great way to get volunteer hours and work with a new population, if you are interesting in volunteering for this event attend the meeting or email weyer.rach@students.uwlax.edu!

We voted to volunteer with SOS (Safety on Our Sidewalks) next semester which will require two volunteers from 8pm-12am at Cartwright and Murphy Library to walk people home when it's later at night, more info to come next semester...

Congratulations and welcome to the new ESG leaders:

- Vice President: Sara Mitchell
- Treasurer: Kayleigh Day
- Secretary: Christina Flora
- Research Co-Chairs: Chelsea Stover and Carlie Bohrman
- Social Chair: Emily Redovich

A discussion also occurred on the matter of a Preceptee or Student Teacher being allowed to apply for travel funds, it was agreed upon under the following conditions

- Need to have held a leadership position in ESG
- Need to have been involved in 50% of activities through ESG
- Need to pay local and national dues for the year
- Need to bring what they learned at conference, training back to ESG (through PowerPoint, Skype, Presentation, etc.)

Looking forward to celebrating a successful semester with the initiation of new ESG members on Saturday at 12pm at the Gala!

Thanks!
ESG Execs
