The mission of the Department of Modern Languages is to help students develop the linguistic, literary and cross-cultural competence necessary to live, work and be lifelong learners in our diverse world.

1.3 Objectives:

1. To provide a curriculum that will allow students to develop interpersonal, interpretive, and presentational skills in second language communication.
2. To provide opportunities for students to develop knowledge and understanding of other cultures and to prepare them to function effectively in diverse cultural contexts.
3. To prepare students for graduate study and for careers in teaching and other professions which require the use of second language skills and cross-cultural knowledge.
4. To contribute to the achievement of the University Core student learning outcomes, in particular by developing critical thinking skills and a sense of global responsibility.
5. To develop and promote study abroad programs.
6. To reach out beyond the confines of the classroom by providing opportunities for faculty and students to collaborate with and to serve the larger community (for example, providing professional development for area language teachers, tutoring programs, and expertise in community discussions of cross cultural issues).
7. To foster a climate that encourages continuing faculty growth and development through scholarship.

**2. Membership, meetings and voting**

Terms are staggered so that each year one new member joins one from the previous year. This committee is charged with deciding merit, re/distributing travel funds, nominating and/or consulting on faculty awards, consulting on personnel policies/processes, and recommending summer session appointments.
    - 6.1.1 For further details on Merit decisions see **Department Policies 3**
    - 6.1.2 For further details for Travel Allocations see **Department Policies 8.2.**

Terms are staggered so that each year one new member joins two from the previous year. This committee is charged with curriculum decisions, academic issues, student grievances and complaints, student policies, advising initiatives, placement and retroactive credit needs, programmatic changes and revisions, assessment, writing in the major program, strategic planning and policy development other than that mentioned in 6.1 above.

If a member of this committee is the teacher involved, another person from that language will be chosen by the chair of the department and will serve temporarily in the appeal for a grade change.
    - 6.2.3 Responsibilities of the committee chair and the secretary with regard to grade change appeals.
      - The chair of the committee shall call the meeting for the hearing, direct the meeting, and oversee the voting.
      - The chair shall collect and keep all documents of the student and of the faculty member

- The secretary will prepare the minutes, keep the records, give copies of documentation to all interested persons and assist the chair of the committee.

#### 6.2.4. Procedures for grade change appeals.

Period of Appeal: The student must file a written complaint by the end of the fourth week of classes in the fall or spring semester following the semester in which the grade was received.

Step 1: A student who thinks he has been unfairly graded should go directly to the teacher involved. If the student should go to any other faculty member, the latter should direct the student to the teacher involved in the matter. If the student and the teacher cannot resolve the matter, the teacher shall inform the student of the right to appeal to the Committee on Grade Change. The student shall then be referred to the Chair of the Department. The Chair of the Department will give the student a copy of the Procedure for Grade Change.

Step 2: The student must present the appeal in written form, with reasons and documentation for the complaint, to the Chair of the Department within 10 days after meeting with the teacher involved. The Chair of the Department shall then activate the Committee on Grade Change. If the student or the teacher wishes an open meeting, the committee must accede to this request. Any kind of proof, which will assure both parties due process shall be accepted by the committee.

Step 3: As soon as the formal hearing has taken place, the committee shall vote. The results of the vote shall be transmitted in writing within ten days after the hearing to 1) the Chair of the Department, 2) the student, 3) the teacher, and 4) the appropriate administrators. This vote does not force an instructor to change a grade, but rather is offered as a recommendation.

#### 6.2.5 Voting for grade change appeals

1. A majority vote of the committee is necessary for a decision; in case of a tie, or in case there is no majority, the Chair of the Department shall resolve the matter. If the Chair of the Department is the teacher involved, then the chair of the committee shall resolve the matter.
2. The non-binding recommendation to change a grade shall be determined by a signed ballot vote by each committee member. If the Chair of the Department (or the Chair of the Committee) has to break the tie, or decide the question, this vote shall be by written ballot also.

  - 1.7.1 The chair and secretary of the subcommittee will continue to serve in the same capacity on the Hiring Committee.

- subcommittee for reply.
- 1.7.3 The secretary, in compliance with open meetings rules, will post all meetings, noting if any meeting will go into a closed session and/or an open session.
  - 1.7.4 Evaluation meetings may be closed by majority vote of those in attendance (taken by roll-call), for the purpose of discussing individual candidates. The chair will announce the entertaining of a motion “**to convene in a closed session to consider personal history information about applicants for the position of [assistant professor] of [specify language] as provided in section 19.85 (1)(f) of Wisconsin statutes.**” Upon completion of business in a closed session, the subcommittee may not reconvene in an open session within 12 hours, unless notice of the subsequent open session was included in the original meeting notice.
  - 1.7.5 A meeting of the Hiring Committee will be called for the purpose of discussing the finalists and for the selection of a candidate or candidates to be interviewed. At this meeting, those who have conducted telephone or MLA interviews will share the results of their conversations.
  - 1.7.6 After discussion of the candidates, each member of the Hiring Committee will submit a list of no more than ten top candidates. These lists will be tallied to determine a consensus list of no more than ten candidates.
  - 1.7.7 Should a candidate fail to be advanced to finalist status on the initial vote, s/he can be brought to a re-vote only once. Any committee member may request a re-vote.
  - 1.7.8 If desired, the Hiring Committee may conduct follow-up telephone interviews with the top ten candidates.
  - 1.7.9 After the follow-up interviews (if required), the Hiring Committee will discuss and vote on each candidate to select those to be moved to the finalist status. A two thirds majority vote is required to advance a candidate to finalist status.
  - 1.7.10 The three or four candidates receiving the most “yes” votes will constitute the top tier and will be invited to interview on campus. The second tier will include the remaining highly qualified candidates, whom the committee believes would be suitable for the position if the top tier candidates are unavailable or are determined to be unacceptable after an interview.
  - 1.7.11 The list of candidates (clustered in two tiers) will be submitted to the chair of the department (if s/he is not the chair of the subcommittee).
  - 1.7.12 The department chair may consult with the Assistant to the Chancellor for Affirmative Action and Diversity to determine whether the applicant pool generated by the search is sufficiently diverse, and whether individual candidates in these two tiers reflect the diversity of the pool, as determined from returned EEO forms.
  - 1.7.13 After consultation with and approval from the dean, the chair will submit the Applicant List, identifying these two tiers of candidates, to the Assistant to the Chancellor for Affirmative Action and Diversity for approval to interview. This list must specify reason codes for all candidates for whom an interview is not sought.
- 1.8 After the Assistant to the Chancellor for Affirmative Action and Diversity approves candidates for interviews, via E-mail, with a copy to Human Resources, the chair shall contact each approved candidate to schedule a campus interview.
  - 1.8.1 Personal interviews will be conducted with legal and identical/similar questions asked of each candidate, as indicated in the reference materials found at:  
<http://www.uwlax.edu/hr/fac.recruit.html>.
  - 1.8.2 After gathering information, interviewing, etc., committee members will vote on the

finalists, one at a time. A two-thirds majority vote of the committee is required to move the finalist to the recommendation to hire.

- 1.9 The Hiring Committee will deliver its recommendation(s) to hire, with supporting information, to the dean. The dean will request the authorization of the Assistant to the Chancellor for Affirmative Action and Diversity and the Provost/Vice Chancellor to extend an offer. This communication is to be made via E-mail, with a copy to [recruit@mail.uwlax.edu](mailto:recruit@mail.uwlax.edu). More than one candidate may be approved to reduce delay if first/second candidate decline(s) offer.
- 1.9.1 If the candidate accepts the offered position, the Personnel Action Form will be completed and forwarded to the Human Resources Office, along with materials from the candidate's file that are needed to draft the contract letter and create the candidate's personnel file. (See <http://www.uwlax.edu/hr/fac.recruit.html> for a listing of this information.)
- 1.9.2 After selection has been assured, the chair of the subcommittee will notify all candidates not previously notified that the position has been filled.
- 1.9.3 The chair will prepare final committee materials and is responsible for the archiving or other disposition of committee records in consultation with HR.

(Faculty appointments: cf. *Faculty Personnel Rules* UWS 3.01, 3.02, 3.03 and 3.04, and UWL 3.02, 3.03, and 3.04); academic staff appointments: cf. *Academic Staff Policies and Procedures* UWS 10.01-10.05, and UWL 10.01-10.05)

\*As of March 2008, these rules do not reflect recent policy changes for IAS.

## **2. Pool Searches**

- 2.1 At the beginning of each pool search cycle, the department will follow the procedures outlined in the Human Resources document entitled "Instructions for College Recruitment Pools for Part-time Instructional Academic Staff." (<http://www.uwlax.edu/hr/instr.acst.POOL.search.htm>)
- 2.2 When an opening occurs, the department chair shall convene a hiring committee composed of a minimum of three tenured or tenure-track faculty or Senior Lecturers, including at least one from each language for which there are currently openings. The committee shall elect a chair.
- 2.3 The Search and Screen Committee will be convened to perform an initial screening of the applicants to determine if any have the qualifications needed for the positions currently open.
- 2.4 Qualified applicants will be invited to campus for an interview. If an applicant has taught for the department in the past, the committee may elect to waive the campus interview.
- 2.5 Open meeting rules will be followed.

- 2.7 After the candidates accept, the dean will complete the Personnel Action Form and forward it to Human Resources so that a contract letter may be issued.
- 2.8 If a new opening occurs during the two years that the pool is active, the Department Chair shall convene a hiring committee according to the guidelines in 2.2. The committee will determine whether an adequate pool of candidates exists or whether the new opportunity needs to be advertised. If the pool is adequate, the committee

9.4 **General Education Proficiency Requirements**  
 Non-native English speaking national and international students seeking degrees at this

university may fill the foreign language “Skills” requirement/option via the “La Crosse Battery of Exams.”

- 9.4.1 Eligibility
  - a. an international student with citizenship in a non-native English speaking country
  - b. a non-native speaker of English (regardless of citizenship status) who began U.S. studies at the Middle School/Junior High School level or higher.
- 9.4.2 Description of “La Crosse Battery” exam

The Michigan tests (30 minute listening exam, 75 minute reading comprehension, grammar and vocabulary exam plus a 15-30 minute oral proficiency interview, and a 30 minute composition exam) evaluated on the “Jacob’s” grading scale.
- 9.4.3 Testing Procedures
  - a. The exam will be given twice each semester (Fall and Spring)
  - b. Students who earn a “70” on this exam will have fulfilled the language requirement at the 102 level.
  - c. Students who are on the borderline will be administered the 30 minute oral proficiency part of the exam
  - d. Students may only take the La Crosse Battery three times, if wishing to fulfill the foreign language requirement. (Note: the ESL Institute has a rotating set of exams.)
- 9.5 Proficiency and Immersion Requirements for Certification to Teach a Foreign Language
  - a. The Department of Modern Languages interprets the Wisconsin DPI teacher certification requirements for proficiency if the student has achieved a minimum level of the equivalent to intermediate high on the ACTFL Oral Proficiency Interview Scale
  - b. The Department of Modern Languages interprets the Wisconsin DPI teacher certification requirements for study abroad/residency/or immersion to be fulfilled if:
    - 1. a student seeking certification in the EC-A classification (previously, K-12) has participated in a pre-approved study abroad program for a minimum of one semester, including completion of INS 250, 251, and 252.
    - 2. a student seeking MC-EA certification (previously 1-9) or EA-A certification (previously 6-12) for a second major or a minor has participated in a pre-approved study abroad program for a minimum of ten weeks, including completion of INS 250, 251, 252.
- 9.5.1 All students wishing to be certified must complete an oral proficiency exam with a professor in their language of study within one semester of return from study abroad. A certificate documenting the prospective student teacher's immersion experience and oral proficiency in the language to be taught will be kept on file in the Modern Language Department and a list of those students meeting the proficiency requirements will be forwarded to the Office of Field Experience as part of the approval process for admission to student teaching.
- 9.5.2 Teacher education candidates in MLG are required to consult with an advisor in the language of study, on a semester by semester basis, regarding the best way to insure success in both the Praxis II and oral proficiency exams. (Because each student's needs and abilities are different, completion of the study abroad experience and required course work will not, in and of itself, guarantee passage of the oral proficiency exam.)
- 9.5.3 This policy will be posted and announced in all upper-level language classes at the beginning of each semester.

- 9.6 Placement policy for Native, Near Native and Heritage Speakers  
Native, near-native and heritage speakers of a language other than English taught in the Department of Modern Languages at UW-L need departmental permission to enroll in 100/200 level language courses or GER300, FRE303/304, and SPA303/304, which are taught in the same language as their heritage tongue. Near-native and heritage speakers should undergo diagnostic measures of language ability [such as a writing sample or oral interview] prior to enrolling in a modern language course. See the department chair for further instructions and details about this policy.
- 9.7 Student Travel Fund
- 9.7.1 The Department of Modern Languages will fund up to 3 travel awards per year in the amount of \$60.00 each. These awards are intended to support student travel to professional conferences and to other academic activities that contribute to student learning in languages and cultures. Funding for these awards will come from the department UW-L Foundation account. Priority will be given first to students presenting and second to attendees. Students are required to submit a written request to the chair of the department of Modern Languages with the following documents: a) conference title, place, dates; b) presentation proposal; c) proof of acceptance to the conference. The Department Program and Planning Committee will determine the merit of the request. (Students are encouraged to seek matching funds from the dean of CLS.)
