

Math Club

Why is a Pizza like a Rabbit?

Come to the first Math Club meeting and find out!

Thursday Sept. ~~17th~~^{18th} @ 4pm
102 Cowley Hall

- Are you interested in mathematics?
- Do you want to meet other students with similar interests?
- Have you heard about all the opportunities for math majors?

The math club is your place! We bring in speakers of interest, solve challenging problems, and talk about our common math classes. There will be an kick-off meeting **with Pizza** (sorry no rabbits) this Thursday!
