## Singular Value Decomposition in Introductory Linear Algebra

Dr. Todd Will

**Come hear about a fast track to this highpoint of linear algebra. We'll look at the theory behind SVD and then look at a couple of applications. There'll be plenty of pictures.**

Thursday, March 21st 3:15-4:15  
Coffee and cookies in 102 Cowley,  
followed by the talk in room 151.
