What is your favorite book or movie?

*The "Cat Who" books by Lillian Jackson Braun

What is the most unique job you've ever had?

*Cooler filler/stocker at a bar

What is your favorite place in the La Crosse area? *The La Crosse Library

If you could travel anywhere in the world, where would it be? *Italy 

Who has been an encouragement and/or mentor for you here at UW-L and why?

*Many people stand out as major influences for me here at UW-L because there have been so many that have been free with sharing their wealth of knowledge, to name just one would be impossible. Every new position holds meeting new peers and getting to know who to ask questions of.

What work tip would you like to share?

*Do as much networking as you can, get to know people so we can help each other. And remember, a sense of humor makes all things tolerable.

What do you enjoy most about work?

*The people & especially the students—without them, we wouldn't be here.

What do you like to do to relax or have fun?

*Riding the Coulee's during the summer months. The back roads are awesome!

If you were allowed to have one super-power, what would it be?

*Super hearing — to be able to hear through walls.
