UNIVERSITY OF WISCONSIN-LA CROSSE
COLLEGE OF BUSINESS ADMINISTRATION

Preamble

We assemble this organization with the purpose of creating a tradition of duty to the College of Business Administration at the University of Wisconsin-La Crosse. Let the word go forth that by determination and with distinction we have set upon a course to create a tradition of honor; a tradition of dignity; and a tradition of service.

We do this by installing a society of alumni that respect our tradition and subscribe to the tenets of this tradition. We further believe that our mission is to carry our tradition forward by supporting the College of Business Administration at the University of Wisconsin-La Crosse in thought, deed and resource.
