

# Celebration of Student Inquiry in Economics

UNIVERSITY of WISCONSIN  
**LA CROSSE**

Department of Economics

Students from upper-level economics courses will give *interactive digital poster presentations* of their final projects on topics including but not limited to labor economics, applied econometrics, economics of sports, and health economics.

## **Courses include:**

ECO 307: Introductory Econometrics

ECO 320: Economics of Sports

ECO 471: Health Economics

**Friday, December 11, 2015**

**2:30 PM - 4:30 PM**

**Rooms 3212 and 3214 Centennial Hall**

All members of the UW-L community are invited.

Upper level Economics and CBA students are especially encouraged to attend.
