Dear Dr. Rees:

Thank you for submitting an interim report. The Council on Education for Public Health's Executive Committee reviewed the report at its meeting on August 3, 2023 and determined that your program has demonstrated compliance with Criteria B2 (Concentration Competencies), C1 (Data on Competency Attainment), C4 (Stakeholder Data), and G3 (Student Satisfaction with Advising) at this time.

To maintain accredited status, the program must continue to submit annual reports as required, and the next full review must take place with a site visit by July 1, 2027. We look forward to these upcoming review activities.

Sincerely,
