Second Year Summer (Optional)	
Students can use this summer to finish any remaining GE's or Pre-Prof courses prior to starting program	

* Apply to RAD Program (Fall of Sophomore Year)

^ Course has pre-requisite or specific placement score needed to enroll

To enroll in BIO 312, students must earn a "C" or better in BIO 105 **AND** CHM 103

- Winter and Summer terms are optional, but students can use them to spread out credit load, complete requirements for admission or take an elective course or course towards a minor if students has one.
- All general education and pre-professional courses must be completed by the time a student starts the RAD program
- General education courses do not need to be taken in this exact order; this is just one example.
- It is advised that students create their own semester by semester plan to track completed courses and future course plans.
- Students outside of UWL may elect to take PHY 103 & 104 instead of PHY 134.
