

UNIVERSITY OF WISCONSIN - LA CROSSE
Occupational/Environmental Health and Safety
Course Key Code

Key	Course
1	Aerial Lifts - Initial
2	Aerial Lifts v2 - Refresher
3	Applying Electrical Standards
4	Asbestos Awareness - Introduction v2
5	Asbestos Awareness - Part 1 v2
6	Asbestos Awareness - Part 2 v2
7	Asbestos Awareness - Part 3 v2
8	Asbestos Certification
9	Basic Rigging Part 1 v2
10	Basic Rigging Part 2 v2
11	Battery and Charger Safety
12	Being a Successful Team Member
13	Bloodborne Pathogens - Initial
14	Bloodborne Pathogens v4 - Refresher
15	Cardiopulmonary Resuscitation
16	Cleaning Up Small Chemical Spills
17	Confined Space Hazards - Initial
18	Confined Space Hazards v2 - Refresher
19	Diet and Exercise v2
20	Diversity - Valuing Differences v2
21	Electrical Safety and Lockout/Tagout v2
22	Environmental Awareness
23	Environmental Overview
24	Ergonomics for Heavy Equipment
25	Fall Protection v3
26	Fire Extinguisher Safety v2
27	Fire Prevention v2
28	Fire Watch
29	First Aid - Basics v2
30	Hand and Power Tool Safety v2
31	Hand and Power Tool Safety for Construction
32	Hand, Wrist and Finger Safety v2
33	Hazard Communication v3
34	Hearing Conservation v2
35	Heat Stress v2
36	Hot Work
37	Housekeeping on the Job
38	Human Element
39	Industrial Ergonomics
40	Infectious Materials Transportation
41	Ladder Safety v2
42	Lockout/Tagout - Initial

Attachment B

43	Lockout/Tagout v3 - Refresher
44	Materials Handling and Storing v2
45	Personal Protective Equipment Overview v2
46	Personal Protective Equipment Part 01 - Introduction v2
47	Personal Protective Equipment Part 02 - Head Protection v2
48	Personal Protective Equipment Part 03 - Eye and Face Protection v2
49	Personal Protective Equipment Part 04 - Hand and Arm Protection v2
50	Personal Protective Equipment Part 05 - Body Protection v2
51	Personal Protective Equipment Part 06 - Foot and Leg Protection v2
52	Personal Protective Equipment Part 07 - Hearing Conservation v2
53	Personal Protective Equipment Part 08 - Respiratory Protection v2
54	Personal Protective Equipment Part 09 - Electrical Protective Devices v2
55	Personal Protective Equipment Part 10 - Selection Factors and Levels of Protection v2
56	Powered Industrial Trucks - Hands on Proficiency
57	Powered Industrial Trucks - Part 1: Introduction to Pre-Operation Procedures v2
58	Powered Industrial Trucks - Part 2: Pre-Operation Inspection and Maintenance v2
59	Powered Industrial Trucks - Part 3: Stability and Handling Loads v2
60	Pressure Vessel Safety
61	Preventing and Addressing Electrical Violation
62	Preventing Back Injury v4
63	Recognizing Electrical Hazards
64	Respiratory Protection - Comfort
65	Respiratory Protection - Annual
66	Safety Orientation v2
67	Spill Prevention, Control and Countermeasures (SPCC) - Initial
68	Spill Prevention, Control and Countermeasures (SPCC) - Refresher
69	Stormwater Pollution Prevention v2
70	Towing Trailers
71	Underground Storage Tank Operator
72	Using Electrical Safety Programs
73	Using Eyewashes and Emergency Showers
74	Welding, Cutting and Brazing v2
75	Workplace Violence Prevention v2
