## **Update Local Contact Information**

It is important to keep your local contact information updated and accurate. UWL requires students to review their local address and phone number once a semester while they are enrolled.

- 1. At the start of the semester, the first time you login to your WINGS Student Center, you will see the request for an update pop up.
- 2. Fill out the Local Address section.
  - i. If you are staying in a residence hall, please put in your home address for your local address. Your residence hall information will be entered by the Residence Life Office.
  - ii. If you have an apartment in La Crosse, please put in that address. When filling out address fields, you can put your apartment number at the end of your street address.
  - iii. You do not need to put in a County.
  - iv. If you are enrolled entirely in online courses, enter in the address where you are physically located while enrolled.
- 3. The Local Phone should be your cell phone or other local number where you can be contacted.
