Yahtzee: The Solution

Dr. David Reineke

We discuss the paper "Yahtzee: The Solution" from the *ASA Journal Chance*. The paper examines the probabilities involved in the game and offers some decision-making tips for optimizing your chance of winning.

Cowley 102

Thursday, October 9

Cookies: 4:15

Talk: 4:30-5:00

The Mathematics Club invites students and faculty to join us *every* Thursday at 4:15 for coffee, cookies, and mathematical conversation in the Mathematics and Statistic Research Center, Cowley 102.
