

# Math Coffee

## A Review of My Biostatistics Internship at Gundersen Lutheran

Scott Hetzel  
UW-L Senior Math Student

I will be presenting an overview of my past semester at Gundersen Lutheran. The main focus of the talk will be on describing the studies that I worked on during the internship, statistical analysis used and the conclusions drawn from the statistical analysis.

**Thursday, April 14<sup>th</sup>**  
**4:15 – 4:45 pm in 151 Cowley**

Cookies and Coffee will be served in 102  
Cowley from 4:00 - 4:15 pm.
