

# Delivery of Murphy Library Materials to LC Members

Delivery of materials to Learning Community members has been simplified. You no longer need to use multiple forms for different types of requests. From now on, simply use the ILLiad interlibrary loan form for all requests <https://wisconsin.hosts.atlas-sys.com/illiad/GZU/logon.html>.

## Articles

- Many articles are available full text in Murphy Library databases.
- If articles are not available in any of the Murphy Library online databases, LC members may request them using the ILLiad interlibrary loan form.
- To learn more about finding and requesting articles, follow the links on the LC members web page <http://www.uwlax.edu/murphylibrary/Learningcommunities/index.html>

## Books and Videos

In the past LC Members were encouraged to use a system called Universal Borrowing to find books and videos in UW-System libraries and have them delivered to a UW-System library of their choice. Because of technological problems with the UB system, we are now recommending that LC members do NOT follow this path unless they live near a UW-System school and understand the limitations of the system as described below.

Instead of using Universal Borrowing (UB):

- Use the ILLiad interlibrary loan form to request books and videos regardless of whether or not Murphy Library owns the titles.
- Read more about home delivery of materials at <http://www.uwlax.edu/murphylibrary/distance/delivery.html>
- 

### **Limitations of Universal Borrowing (UB)**

UB is still around and available to LC members who wish to use it for books and videos under certain circumstances. With UB, books and videos can be picked up and dropped off at any UW-System library. This eliminates the need for you to pay postage to return items to UW-L (required when receiving books and videos through ILLiad). Some LC students who live near a UW-System school may wish to use UB.

Things to be aware of if you choose to use UB:

- UB is only for books and videos that are in a UW-System library
- UB does not work with books and videos that are held at UW-L's Murphy Library
- UB is found in the Murphy Library catalog in the "Other Libraries" section
- LC members must log into the UB system using their student ID number

Learn more about UB at <http://www.uwlax.edu/murphylibrary/ub/>
