Campus Recommended Hardware:

<http://www.uwlax.edu/itssupport/Services/rechardware.htm>

More information regarding computers on campus can be found here:

<http://www.uwlax.edu/itssupport/index.htm>

If you need to purchase the recommended software, there is a University discount that you can receive once you are on campus.

“UW-L offers technical support for legal English language versions of UW-L supported software, which includes operating systems.”
