

PSYCHOLOGY/OCCUPATIONAL THERAPY DUAL DEGREE CONTRACT

Student Name _____ Student Number _____

Present GPA (cum) _____ Total Credits ("+" those in progress) _____ Anticipated Appl. Date _____

1. I understand that I must be cleared as a psychology major in order to participate as a Dual Degree Major.
2. I have reviewed the requirements of the dual degree program and understand that it is my responsibility to complete the proper coursework in the time sequence suggested.
3. I understand that the completion of this contract in no way insures my acceptance into the graduate program in Occupational Therapy (OT) and UW-L.
4. I understand that if I am not accepted into the graduate program in Occupational Therapy, I will be able to complete a BS in psychology from UW-L and will be able to re-apply to the UW-L occupational therapy program or to other occupational therapy graduate programs.
5. I understand that if I am accepted into the graduate program in Occupational Therapy, I will receive my BS in Psychology no later than the fall semester of my 5th year in the dual degree program.
