

SUMMARY REGARDING SCHOLARLY ACTIVITIES FROM UW-L FACULTY 2006-2007*

Faculty at UW-L were involved in scholarship leading to 107 peer-reviewed journal articles, 9 books, 24 chapters in books, 14 editorial board publications, 9 published book reviews, 18 art exhibitions, 9 music compositions, 38 music performances, and 10 theatre productions. In addition faculty were involved in dozens of presentations, research reports, newsletter articles, maps, in-house documents, consultations, and reviews. A listing of these activities is available below.
