

UNIVERSITY of WISCONSIN
LA CROSSE

Dear applicant:

Thank you for your interest in The University of Wisconsin-La Crosse Radiation Therapy Program. Please find the enclosed application form, three letters of recommendation forms, clinical observation forms, and an admission checklist form. Please use the admission checklist form to guide your submission of application materials appropriately and completely.

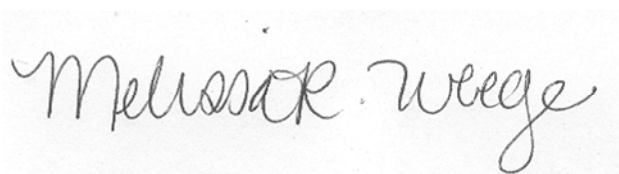

A Radiation Therapy Program application in Adobe Acrobat can also be found on the program web site at www.uwlax.edu/rt. That form will allow for information to be typed in, but it cannot be submitted or saved online. Therefore, if you chose to use the online form, you must complete the entire form in one session and then print a hard copy to send to the program.

Please note that if you plan to transfer to UW-La Crosse for the Radiation Therapy Program, you will also need to submit a transfer application to the UW-La Crosse Admissions Office. Information regarding transfer admissions, as well as an online application form, can be found at www.uwlax.edu/admissions.

The application deadline is January 20, 2009. All materials included on the checklist must be postmarked by then, unless prior approval is received from me for a deadline extension on any part of the application materials.

For questions concerning the application process, please contact the Department of Health Professions at 608-785-8470. For complete information regarding the program, please visit our web site (noted above).

Sincerely,

A handwritten signature in cursive script that reads "Melissa Weege". The signature is written in black ink on a light-colored background.

Melissa Weege BS, RT(T), CMD
Radiation Therapy Program Director
Email: weege.meli@uwlax.edu
