Meeting was called to order at 12:05 p.m. by Dr. Rott.

1. M/S/P (7, 0, 0): Minutes from 3-11-05 were approved.
2. Dr. Rott encouraged current College Committee members to seek colleagues to run for College Committee membership.

Dr. Loh arrived.

3. Discussion continued regarding the proposed Middle School Mathematics Certificate Program. Drs. Kosiak, Riley, and Skala from the Mathematics Dept. were present to answer questions and address concerns of the Committee. Discussion focused on the logic for offering the program at a Masters degree level, the prerequisites for acceptance into the program, and whether the Math Dept. was the best place to house the program. It was decided that the justification for the program and the program description and LX forms would be revised and re-reviewed by the Committee next week.

Meeting was adjourned at 1:00 p.m.

Respectfully submitted,
Jennifer Miskowski
