

Content Liaison Job Description

The position of Content Liaison has been created to facilitate communication between the School of Education and content departments across campus at the University of Wisconsin-La Crosse. Each liaison will serve in this role for two to three years and serve in the following manner:

- 1) Share pertinent teacher education related information with respective departments,
- 2) Obtain feedback from respective departments and share with School of Education members,
- 3) Attend School of Education meetings and workshops, and
- 4) Serve as a consultant for teacher education committee(s) as needed.
