Major (check all that apply) <input type="checkbox"/> ESS-Teaching <input type="checkbox"/> School Health Education		Minor (check all that apply) <input type="checkbox"/> School Health Education <input type="checkbox"/> Other _____ (Chemistry, History, etc.)	

Candidates for programs leading to teacher licensure in ESS-Teaching and School Health Education must satisfy the following requirements prior to acceptance into the program. Meeting minimum standards does not guarantee acceptance and application requirements are subject to change. Application deadlines are October 1 and February 1. Applications ARE accepted from students who are in the process of finishing final application requirements, although admission is granted only after all satisfactory grades and test score have been posted on official UW-La Crosse records.

<i>I. You must submit a current SNAP along with your application form. Order a current SNAP from the Office of Records and Registration. This report will assist in your completing the items listed below. The SNAP you received from your faculty advisor will not be accepted.</i>
