of judgment.*

# MDMA (Ecstasy)

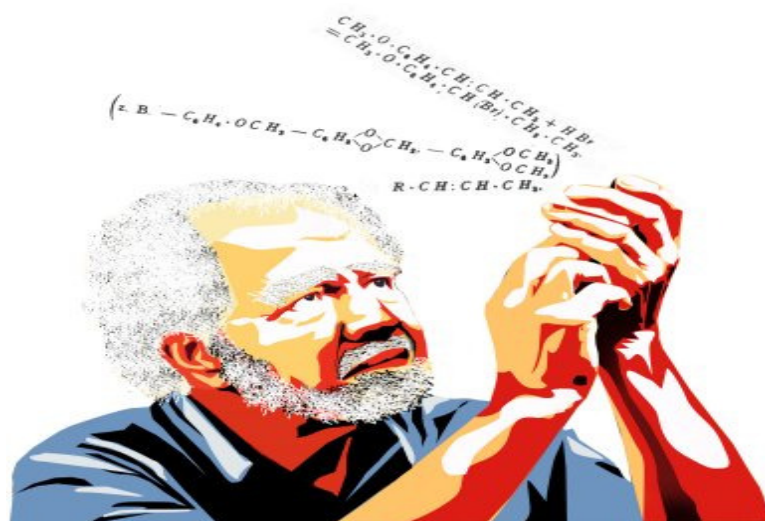

Wednesday 12-10-08

Port O' Call

12:00 to 1:00pm

Bring your lunch

Bring a friend

**Alexander "Sasha" Shulgin**

The *Just Say KNOW* series neither encourages or discourages drug use, rather we seek to deepen the knowledge base of our society so that they are empowered to make safe and informed choices that facilitate health, wellness, and personal growth. The *Just Say KNOW* facilitators understand that a drug-knowledgeable citizenry is much more likely to make intelligent and informed decisions regarding substance use.
