
PREVIOUS FUNDING

If you have received funding for undergraduate research before, please fill out the following information and include it with your proposal. Fill out one form for each project.

Title of Proposal:
When did you receive funding for undergraduate research? How much funding did you receive? Include semester and year.
Who funded your research (Undergraduate Research Committee, College Deans, a faculty research grant, or other source)?
Describe the results/outcomes of your research/creativity project?
Did /will you present your findings at the UW-La Crosse annual celebration of research? If so, what year?
Did/will you present your findings at any other conferences? If so, explain.
Did/will you submit a final report to UW-L's <i>Journal of Undergraduate Research</i> ? If so, what year?
Did/will you publish your findings in any other journals? If so, explain.
