Bella vita militar/Di scrivimi ogni giorno

Così fan tutte, K. 588 (1790).....Wolfgang Amadeus Mozart (1756-1791)

This spirited chorus number sings the praises of military life--full of adventure, glory, and honor. Fiordiligi and her sister Dorabella are heartbroken that their beaux are leaving them to go to war. Ferrando and Guglielmo, for their part, are actually faking a departure to war as part of a romantic trick set up by Don Alfonso.
