

## Violence Prevention Services Grad Assistant

### College Overview

Western Technical College is one of 16 Wisconsin technical colleges that make up the Wisconsin Technical College System. Western is located in La Crosse, WI. We have five regional locations in Black River Falls, Independence, Mauston, Tomah, and Viroqua. Western offers many programs that lead to an associate of applied science degree. These programs are in four divisions: Business, General Studies, Health and Public Safety, and Industrial Technologies.

Mission: *Western Technical College provides relevant, high quality education, in a collaborative and sustainable environment, that changes the lives of students and grows our communities.*

### Office Overview

The purpose of the Student Life Office is to provide essential support for students, faculty and staff of Western Technical College. We strive to provide dynamic and engaging opportunities for student involvement, advocacy, and support, while also providing crucial and relevant services for all Western stakeholders.

Services and programs offered out of the Student Life Office include, but are not limited to: Residence Life, Student Government, Student Clubs and Organizations, Student Wellness Programming, the Wellness Center, Diversity and Inclusion services, Violence Prevention services, Title IX Coordination, Student Grievances, Student Conduct, Campus Security, and Parking Services.

### Position Overview

Support the Student Life Office by providing relevant and timely outreach opportunities such as educational trainings, events, and presentations to increase student, staff, and faculty understanding and awareness of violence prevention related issues.

### Key Responsibilities

- Develop programs and processes that comply with the Campus SaVE, VAWA, Clery Act, and Title IX
- Provide educational trainings, events, and presentations to increase student awareness of bystander intervention, consent, healthy relationships, survivor support, sexual assault, sexual harassment, stalking, partner violence, etc.
- Collaborate with campus partners to increase student, faculty, and staff understanding of sexual misconduct and College policies
- Collaborate with students and student organizations interested in violence prevention
- Connect with various campus and community groups to provide relevant services and information
- Research current trends and best practices related to violence prevention topics
- Answer requests for information, provide resources and referrals, and attend campus and community meetings as assigned
- Assist with data collection and compliance reporting

### Professional Competencies

This assistantship experience will emphasize the ACPA/NASPA competencies of:

- Personal and Ethical Foundations
- Law, Policy, and Governance
- Leadership
- Social Justice and Inclusion
- Student Learning and Development
