

Medical Withdrawal Health Care Provider Letter Requirements

Letter to Complete Medical Withdrawal

To officially complete a Medical Withdrawal from the University of Wisconsin-La Crosse your health care provider will need to submit a letter on official letterhead* covering the following areas:

1. How long has the healthcare provider been seeing you concerning this issue?
2. What is the diagnosis? (Please do not include medical records.)
3. What is the suggested treatment and timeline?
4. Recommendation for a medical withdrawal from UW-La Crosse at this time.

Letter to Return to UW-La Crosse after taking a Medical Withdrawal

After taking a medical withdrawal to return as a student to UW-L you may need to submit a letter from your health care provider on official letterhead* covering the following areas:

1. What is the prognosis?
2. Is there an ongoing treatment plan and, if there is, what does it include?
3. Statement supporting the student's return to classes. Be specific as to whether the student has a reasonable chance for success. Could the student benefit from a reduced class load?

*Prescription pad notes will not be accepted.

Letters on official letterhead with signature can be mailed or faxed to:
