

## Speaking Engagement Agreement

---

The Speaker hereby acknowledges that the University of Wisconsin-La Crosse (UWL) is an agency of the State of Wisconsin and therefore is self-insured for liability protection. The Speaker shall be responsible for any damage to University property caused by an intentional or negligent act of the Speaker or its agent(s) employee(s) or invitee(s) and shall reimburse UWL for the actual cost of repair.

The Speaker agrees to indemnify and hold UWL harmless from any and all losses, costs, expenses, fees, claims, damages, liabilities and causes of action (including reasonable costs and expenses of defending such claims to the extent permitted by law) which arise out of or in connection with the performance of this agreement.

UWL, as an agency of the State of Wisconsin, agrees to hold the Speaker harmless from any and all losses, costs, expenses, fees, claims, damages, liabilities and causes of action (including reasonable costs and expenses of defending against such claims to the extent permitted by law) which arise out of or in connection with the performance of this agreement to the extent that Wisconsin law imposes liability therefore on UWL's officers, employees and agents. The State will indemnify university employees, officers and agents against liability for damages arising out of their activity within the scope of their respective employment or agency pursuant to secs. 895.46(1) and 893.82, Wisconsin Statute.

Through the act of signing this agreement, Speaker acknowledges and agrees to abide by the standard terms and conditions found at the following link:
