What is the College Core?

College of Arts, Social Sciences, & Humanities and School of Visual and Performing Arts Core

The College Core provides opportunities for students to deepen their competencies in the arts, humanities, social sciences, and/or sciences beyond the requirements of general education. Students may select from courses offered by the full range of academic departments within the College according to their interests. The core allows students to build their critical thinking, communication, problem solving, teamwork, and global competencies through in-depth exploration of topics of their choosing.

1. Choose a Bachelor of Arts or a Bachelor of Science

English (writing and rhetoric or literary and cultural studies emphases) and majors in the Department of Global Cultures and Languages must earn a Bachelor of Arts degree. Education majors earn a Bachelor of Science degree.

2. Complete a CASSH/VPA designated diversity course

3. Complete a minor, second major, two certificates*, or the CASSH/VPA Individualized Minor

*Combination of certificates must have at least 18 credits with 12 credits at the 300/400 level **outside** the student's major program.

Bachelor of Arts Core Requirements – choose one track

Language Track	Fine Arts Track	Humanities Track
One global language course 202 or higher	One global language course 102 or higher (including SPE 214)	One global language course 102 or higher (including SPE 214)
Two additional courses* in two different categories: fine arts, social sciences, or humanities	Two fine arts courses* in two different departments	Two humanities courses* in two different departments
	One additional course* in social sciences or humanities	One additional course* in fine arts or social sciences

*Must be on the approved CASSH/VPA Course List and from **outside your major department**. Courses can overlap with your minor, certificates, or second major, but **not** general education (except for language).

Bachelor of Science Core Requirements

Laboratory Science	Social Science	Additional Science	Fine Arts/Humanities
One course* from general education experiential science or approved CASSH alternative course (BIO 312, BIO 313, ESS 205, ESS 206)	One social science course*	One additional course* from the previous two categories or general education quantitative reasoning	One additional course* in fine arts, humanities, or a modern language course 102 or higher

*Must be on the approved CASSH/VPA Course List and from **outside your major department**. Courses can overlap with your minor, certificates, or second major, but **not** general education (except for language).

CASSH/VPA Individualized Minor Option

Complete 18 credits with at least 12 credits at the 300/400 level from outside the major department. The remaining six credits may consist of any level outside the major or 300/400 level courses inside the major department not being used to fulfill major requirements.
