

**MINUTES from Friday, February 23<sup>rd</sup>, 2018** CBA-Undergraduate Curriculum Committee

Convened By S. Brokaw (MKT) at 2:03 pm.

Present: S. Brokaw (MKT), C. Kiersch (MGT), M. Hamman (ECO), S. Komissarov (ACC), D. Tempski (FIN)

Excused: D. Annino (IS)

N. Vidden (CBA Academic Services Director - Consultant)

1. Student Advisory Council Analytics Working Group Presentation on the interest in a data analytics course, minor and major.
  - a. Students presented a compelling case for the need to ensure data analysis skills are being taught as part of the core.
  - b. Committee members conveyed progress towards revising ECO 230 and communicated other places in existing curriculum where these skills are already being taught. Committee members also communicated the tension between class size pressures and the pedagogical needs for teaching programming skills.
2. Minutes for Jan 26<sup>th</sup> approved.

**Adjourned 2-23-18 @ 3:01**
