

UWL PROUD

Dennis Vogel, '97, '02

Finance, MBA | La Crosse, WI | CEO, Citizens State Bank

WHY I GIVE TO UWL:

I believe it's my responsibility to give back to an organization which has provided me with so much. UWL provided me with a great foundation to launch my career and I wouldn't be where I am today if wasn't for UWL.

FAVORITE MEMORY OF UWL:

The relationships I built with faculty, friends and classmates, many of whom I still network/communicate with.

ADVICE TO FUTURE ALUMNI:

Network and never stop learning! Don't sit back and wait for opportunities to come to you, create them yourself. You are not entitled to anything with your degree, make it happen and be willing to push yourself out of your comfort zone. Find something you are passionate about and makes you happy, so you never have to work another day.
