

UW-LA CROSSE TRANSFER CREDIT REPORT NARRATIVE

This narrative is designed to assist with understanding your transfer credit report. An evaluation of your transfer credits will begin after completion of the steps outlined in your admissions packet. Once your evaluation is complete, we will notify you via email and direct you to your WINGS Student Center where you can view your transfer credit report.

The following are codes and explanations that may appear on a Transfer Credit Report:

- GEL** If GEL (General Elective) is listed, then there is no equivalent. Credits may be applied toward graduation.
- 000** (Department elective) If department abbreviation and 000 (elective) is listed in the UWL title, the credits may be applied to the major or minor, unless otherwise restricted.
- 000L** If 000L is listed in the UWL title, lower division credit will be granted (freshman & sophomore level course work; 100 & 200 numbered courses.)
- 000U** If 000U is listed in the UWL title, upper division credit will be granted (junior & senior level course work; 300 & 400 numbered courses.) A minimum of 40 credits must be earned at this 300/400 level.
- TIP** If TIP is listed in the grade column, the course is “Transfer in Progress” or currently in progress at the time the transfer credit report was completed.
- TFO** TFO (two for one) indicates a student has taken two or more transfer courses which are equal to one UWL course.

The following codes are used to identify coursework which is applicable toward the general education categories:
