

Welcome to the **Art, Music and World Language ("AWLME")** Admissions Application Survey. Thank you for your interest in applying to the School of Education AWLME programs! These programs will prepare you to teach K-12 Art, K-12 Music, or K-12 World Languages - a complete list of programs is below.

**Upon completion, you will receive an email confirmation that you completed the survey. Your survey is incomplete if you do not receive an email confirmation. Please note that partially completed surveys will not be accepted. Please do not exit the survey by closing the survey tab. This will result in an incomplete application.**

The application survey ends promptly at 4:00 p.m. on Friday, September 22, 2023. Late applications will not be accepted except in extenuating circumstances - see the [SOE admissions webpage](#) for more information on how to request an exception.

**Criminal Background Check:** The WI Department of Public Instruction (DPI) requires that candidates for admission to a teacher education, administration, or pupil services program successfully pass a criminal background check (CBC) as one criterion for admission. By applying for admission to one of these programs, candidates agree to provide the necessary personal information to UWL in order to initiate their CBC, and to complete their portion of the process prior to the deadline specified in their admission letter. Teacher candidates are responsible for all costs associated with the criminal background checks. The current cost for a routine initial CBC is set by the vendor at **\$24**. Additional fees can apply for individuals who have lived in multiple states or countries, and the fee is subject to change at any time by the vendor. Admission decisions by programs are contingent upon a successful CBC clearance decision by the UWL Office of Field Experience.

**iPad purchase:** Teacher candidates who are admitted to the School of Education are [required to have an iPad that meets SOE specifications](#). Once you are admitted to SOE, you will be provided information on how to purchase an approved iPad through the SOE iPad order survey. The fee for the iPad is financial aid eligible and will appear on your tuition bill in the semester following admission to SOE. Teacher candidates who purchase their own device outside of the SOE process and without pre-approval do so at their own risk. Please [contact SOE](#) if you are seeking pre-approval for purchase of a device outside of this process. Currently, the cost for the latest version (10th generation) is set by the vendor at **\$600.30**, and may be higher depending on whether you select optional accessories. Please note that the cost is subject to change by the manufacturer/vendor at any time.

**Meeting the minimum admissions criteria is not a guarantee of admission. Some programs are competitive and resources limit the number of students who are admitted. Not all students who apply are admitted to the School of Education.**

Questions about the admissions process, criteria or your eligibility for admission should be directed to your academic advisor. Questions about using the survey can be directed to Leah Davis at 608-785-8706 or email [ldavis@uwlax.edu](mailto:ldavis@uwlax.edu).
