

**ADMISSION QUESTIONNAIRE  
For Student Teaching, Internships and Field Experiences**

Please note: The reason for collecting this information is to provide for a thorough screening of applicants to professional education programs for the protection of all participants.

UW-La Crosse requires applicants for admission to programs leading to a certificate or license to teach or requiring field placement to complete the following questionnaire. Falsification or omission of information relevant to these questions may constitute grounds for denying you admission to the program or for termination of your admission if the falsification or omission is discovered after admission. Further, during the time while your application is being considered or while you are student teaching or interning, if circumstances occur that would change any responses, you must inform the Office of Field Experience of the changed response(s).

An affirmative response to an item does not necessarily mean you will be denied admission. You may be contacted to explain the circumstances leading to the affirmative response. In addition, the university may request further information from appropriate sources. If necessary, your consent to acquire this information will be obtained.

The university will take the information provided and obtained into account in determining whether to admit you to the program, to postpone admission, to place special conditions on your admission, or to provide special accommodations.

In the event you are denied admission to the program based on your responses to the questions below, you have the right to appeal that decision to the School of Education Teacher Candidate Progress Review (TCPR) Committee.

Yes  No
