<sup>\*</sup> The ESS 201 Credit by Exam option is open to students who hold a current and valid certification as an Emergency Medical Technician (EMT), American Red Cross or American Heart Association adult and pediatric First Aid/CPR/AED, or American Red Cross Lifeguard certification. Contact Guy Herling in the CSH Dean's Office for more information (gherling@uwlax.edu).

Note: The above sequence is only a suggestion and is one of many ways a student may take courses in the Fitness Track. Students should be prepared to alter the sequence of the above courses to respond to course conflicts or other academic, personal, or professional requirements.

<sup>\*\*</sup> Students may require additional credits to reach the minimum graduation requirement of 120. These extra credits can come from electives, courses for a minor or second major, courses needed for graduate school admission, or courses of personal interest to the student.
