

DARBY DEGROSS

Spring 2020 Preceptorship

Preceptee at the La Crosse County Health
Department working under the Alliance to HEAL

Alliance to HEAL is a coordinated community response with over 115 members working together to fill gaps in our local continuum of care for people with substance use disorder. The Vision: To stop the Opioid Crisis in La Crosse County and the deaths/devastation it causes.

Drug Overdose deaths in La Crosse County decreased by 24 percent from 29 in 2017 to 22 in 2019

Less interruptions in Medicated Assisted Treatment for inmates

29% decrease in opioid prescriptions (from 2016-2019) in La Crosse County
