Is there any other information you want us to be aware of?

PERSONAL ESSAY

Please use the space below to write a personal essay explaining why you are interested in pursuing an internship in Nuclear Medicine Technology. Please limit your response to 650 words.

I declare that the statements provided above are true and correct to the best of my knowledge. I also affirm that AI was not used to generate the content or ideas presented in my responses. AI was used only to assist with grammar, spelling, and sentence-level clarity. If accepted into the internship, I agree to comply with all applicable rules, regulations, policies, and requirements of the affiliate site and the UWL Nuclear Medicine Technology Program.
