

Department of Music
Covid19 Preventative Measures
Fall 2022

Primary References

- [International Coalition Performing Arts Aerosol Study: Updated Guidelines](#)
 - Performing Arts programs may follow same recommendations implemented for UWL in general
 - Masked are recommended but not required

For All Ensembles (Instrumental and Choral)

- Rehearsals resume normal schedule, creating social distance between ensemble members where possible.
- Practice water key etiquette: use spit valve dispenser to catch condensation and dispose properly (rather than on the floor).
- Sanitizing protocols for all instruments continue to be recommended.
- Community members who support the intention of course delivery will be permitted as long as they follow published UWL and Department of Music protocols communicated electronically and posted.

Concerts

- Resume normal concerts. Offer virtual viewing as alternate concert experience if needed.

Practice Rooms

- Ventilation is sufficient in practice rooms.
- Practice Room cleaning protocol is posted on each practice room door, includes the following:
 - Stress handwashing
 - Use spit valve dispensers for brass instruments
 - After practice, sanitize surfaces touched with provided cleaner and cloth (specific for piano)
 - Collect all belongings and leave the door open to air out the room
- Department student workers will wipe down doorknobs and inspect rooms to discard leftover items.

Applied Lessons (one-on-one lessons)

- Lessons will resume normal protocols in faculty studios
- Scheduling of lessons should consider “airing out” time between lessons.
