

# How to Measure for a Screaming Eagles Marching Band Uniform

Please follow the directions below and record your measurements in the spaces provided. Once completed, you are ready to enter your measurements into the Member Info Form.

## Hat Measurement

Measure around your head about ½" above your eyebrows.  
Divide by 3.14 for your hat size.

## Coat Measurement

- **Coat Size**

Measure Chest: Take a tape measure and place completely around your chest, under your arms. Measure the largest part of your chest, with your arms down.  
Add 2 inches for your coat size.

- **Coat Length**

Use Height: Under 5' 7" = SHORT  
5' 7" to 6' = REGULAR  
Over 6' = LONG

*(indicate the coat length corresponding to your height)*

## Pants Measurement

- **Waist**

Take a tape measure and place it completely around your waist. This is around where your belly button is (probably not where you usually wear your pants).

- **Inseam**

Measure the inside of your leg from your crotch to the floor without shoes on.

## Shirt Measurement

- **Collar**

Place the measuring tape around your neck at the place where your Adam's apple is (or would be). This is about 2–3" above your shoulders. Slide one finger between your neck and the measuring tape.

*(indicate your collar length below)*

- **Sleeve Length**

Place one end of the measuring tape at the base of your neck in the middle of your back. Measure from here over the top of your shoulder, down your arm to about 1 inch past your wrist.

*(indicate your sleeve length below)*
