

## SEMINAR SCHEDULE FALL 2019

The seminar schedule may change depending on weather conditions or a last minute change in speaker availability. On occasion, seminars will be held at a different time and/or location. Please see the schedule, check your email, and watch flyers for details.

Date	Topic	Speaker
04 Sept	Introduction to Seminar and Faculty	Dr. Jennifer Docktor
11 Sept	Physics Picnic	Myrick Park Main Shelter
18 Sept	Dual-Degree Engineering Program at UW-Milwaukee (arriving at 2:30 p.m. in room 252 if you want to meet with them)	Tina Current and Juli Pickering Advisors, UW-Milwaukee College of Engineering and Applied Sciences
25 Sept	Career Services & You	Amanda Blair Career Advisor, UWL Academic Advising Center & Career Services
02 Oct	Heusler Interfaces – Opportunities Beyond Spintronics	Dr. Jason Kawasaki Dept. of Materials Science and Engineering at UW-Madison
09 Oct	Physics Club(s): Who, What, When, and Why	Dr. Eric Gansen UWL Physics Department
16 Oct	Dual-Degree Physics/Engineering Program at UW-Stout	Dr. Wei Shi UW-Stout
23 Oct	Dual-Degree Physics/Engineering Program at Winona State University	Dr. Fariborz Parsi & Laura McCauley Winona State University
30 Oct	TBA	TBA
06 Nov	Dual-Degree Physics/Engineering Program at UW-Platteville	Dr. Christa Byrnes, Maggie Landsinger UW-Platteville
13 Nov	Getting started in undergraduate research	Student Panel
20 Nov	Ultra-Violet Optical Switching based on Zinc-Oxide Thin Films	Sam Haeuser and Trenten Smith (honors presentation)
27 Nov	<b>No Seminar – Thanksgiving Week</b>	
04 Dec	Physics vs. Engineering	Dr. Eric Barnes UWL Physics Department
11 Dec	1 Page Paper Due	4:15 PM on Canvas
