

## **B.S./Dual Degree in TR**

- **Student's Responsibilities:**

- Apply for admission to the TR program (This is done when finishing the PRE-Admission Courses while working with your Academic Advisor to complete the Admission Checklist Form)
- Satisfactory completion (Grades of C or better) in TR and Interdisciplinary Courses (IDC)
- **Dual degree students must receive a B or better in 556, 570, and 576**
- Notify your academic advisor during TR Group Advising Registration that Pre TR & IDC will be completed.
- Admission to the program is contingent upon finishing Pre-Admission (Box 1)
- All students must progress through each box systematically. You cannot skip boxes.

**4 plus 1 students look on the back**

## Dual Degree

1. Students who are enrolled in a Dual Degree program are not allowed to enroll in more than 15 credits.
2. Student cannot formally be admitted into the program until they have completed 75 credits. Thus, admissions may have to wait until after a semester to ensure these credits are completed.
3. Students must take RTH 576 the last semester they are on campus.
