Here is a template for your abstract (*one page only*). Use standard letter size page with 1.2" top margin and 1.0" margins elsewhere. Use Times or Times New Roman font. Title should be in 16 point bold font. The rest is in 12-point font. Author list is in bold. The presenting author should be underlined; include an email address.

All abstracts will be evaluated by the general committee. The accepted abstracts, other than those intended for Nottingham competition, will be assigned by the general committee for oral or poster presentation. Please indicate your preference (**oral or poster**) at the bottom of this form. If there is no indication, we assume that you do not have a preference.

Feel free to include figures (with captions). See Fig. 1 for an example. References may be included [1,2].

Send us your abstract (one page only) as a Word Document for easy compilation with your name (lastname_first initial) and PEC2023 as the filename (ex: Presenter_A_PEC2023)

Submit abstract via email to: physicalelectronicsconference@gmail.com
