## Barbara A. Lange Memorial Award in Health Education

Barbara A. Lange was an avid public health professional in Wisconsin for 25 years. She served in various responsibilities with the Bureau of Public Health, particularly focusing on health education and health promotion strategies. She was indefatigable in her efforts to promote the health and well-being of the citizenry by encouraging partnerships across the health-related professions. She served with numerous organizations and governing bodies, particularly the Wisconsin School Health Education Coalition, the Wisconsin Public Health Association, and the Wisconsin Health Education Network. She is remembered with respect and admiration by those who knew her.
