OFFICE OF UNIVERSITY GRADUATE STUDIES APPEAL FOR GRADUATE PROGRAM TIME EXTENSION*

Directions: Complete this form, attach all requested materials, and send to Room 223 Graff Main Hall-Director of University Graduate Studies. Attach your unofficial graduate transcripts, your letter of appeal, and a statement of support from your home department. Your appeal letter must include a timeline for completion of remaining degree requirements that has been approved by your graduate program director.

The Director of University Graduate Studies will take action on this appeal only if the requested time extension falls within one academic year (2 semesters and 1 summer session) of the original expiration date and if the request is a first appeal for time extension. A request beyond one year will be forwarded to the Graduate Council for action. Requests beyond one year are unusual and need significant extenuating circumstances. Written notification regarding the decision will be sent to the student by the Director of University Graduate Studies.
